Description

REPORTS TO: Headmaster/Principal

The Athletic Program provides opportunities for all interested students to improve their athletic skills and to develop their character by competing at a level that challenges each to reach his or her potential. The filling of these positions is subject to student participation

Be responsible for the overall administration and management of their specific program, and the supervision of their student-athletes. This also requires the supervision by at least one coach on the transportation vehicle to and from all away contests.

1. Ensure the safety of the participants and the security of the existing playing area.
2. Fulfill the following administrative requirements:
 - Schedule, organize and supervise daily practices
 - Arrange transportation electronically for practice sessions and games
 - Maintain inventory, distribution, upkeep and collection of equipment as required by the Inventory Control Plan in the Boston Public School Coach s manual.(see page 7 of manual)
 - Complete Site Official Sheets for Home Games
3. Assure the Headmaster that all eligibility requirements are met by participating student-athletes in accordance with the MIAA, Boston Public Schools and individual school rules.

4. Participate in professional development by attending at least one clinic, workshop and/or seminar annually.
5. Establish and maintain contact with parents of all participants throughout the season.
6. Work cooperatively with the Director of Athletics of the Boston Public Schools and follow the organizational and administrative guidelines established for the athletic program.
7. Mandatory attendance at Coaches Organizational Meeting.
8. Assure that all student physical examination requirements are met prior to engagement in activity of any kind.
9. Engage in continuous learning and on-going professional development with other Headmaster/Principal colleagues.

An Assistant Coach shall:

1. Follow the directives of the head coach in all matters pertaining to the sport, including the supervision on bus transportation to and from all away contests.
2. Develop with the head coach seasonal, weekly and daily practice schedules.
3. Conduct planned daily practice sessions.

REQUIRED Certifications:

- Massachusetts Interscholastic Athletic Association (MIAA) Certification Courses (applies to all new coaching candidates and those hired after July 1, 2007)
 - o The National Federation of High Schools (NFHS) Coaches Principles Course;
 - o The NFHS Sports First Aid course; and
 - o The NFHS Sport Specific Technical and tactical Skills Course in the sport in which they are coaching
- Thorough knowledge of the rules and regulations of the sport
- Organizational skills to encourage the maximum level of participation
- Demonstrated ability to command team discipline, develop pride and good sportsmanship, and generate enthusiasm
- Demonstrated professional experience working with urban youth and staff of varied ethnic backgrounds
- Demonstrated concern for academic achievement and the personal development of the participants
- First Aid certification
- Cardiopulmonary Resuscitation (CPR) certification
- Automated External Defibrillator (AED) training

Coaches chosen for the spring 2010 sport season that do not have an active AED, First Aid-CPR certification will have ninety (90) calendar days from the appointment date to complete those certifications.

SPECIAL APPLICATION INSTRUCTIONS:

1. In one document include a resume, cover letter and all certifications. Make sure your name is on the top of each page.
2. Provide the school (s) where you would like to coach.
3. Include Job Title and Number.
4. Please apply at the following link:
