

District C Athletic Committee Meeting  
March 7, 2007  
10:00-11:30 a.m. @ Medfield High School

**Members present:**

Thom Holdgate  
Brian McDonough  
Kathleen Burke  
Paul Sullivan  
Andrew Keough (Chair)

1. The meeting opened with a review of the application by **Harwich and Cape Cod Tech's request for a two cooperative teams** (boy's cross country and girl's cross country). The committee voted 5-0 in favor of supporting this request.
2. The committee voted 5-0 in favor of recommending three District C principals to various **sports committees**. They were:  
  
William Harrington – Wrestling Committee  
Paul Viera – Gymnastics Committee  
Teresa Sullivan – Tennis Committee
3. Discussion of **cooperative team** concept and procedures were discussed at length. The consensus of the committee was that we like that the fact that the cooperative team model is available. However, we feel it is important for district athletic committees to closely review renewals to ensure that the need is still there, so as to avoid schools becoming complacent in developing their own teams.
4. The committee voted 5-0 in favor of having Thom Holdgate replace Bob Donovan on the MIAA Eligibility Review Board.
5. The committee formally voted on the MIAA rule changes. Thom Holdgate will forward the vote tally sheet to the MIAA along with the District C league votes.
6. The committee discussed its frustration with the boys/girls ice hockey tournament set up. The feeling is that there should be a committee for girl's ice hockey and a committee for boy's ice hockey. Also, that there should be two tournament directors, one for boy's and one for girl's.
