**BOYS & GIRLS
MIAA Ice Hockey Tournament**

**Sportsmanship Responsibility of Competing Schools
Compliance Policy**

As part of MIAA continuing efforts to promote the concepts of sportsmanship and provide the on-site atmosphere that will keep interscholastic athletic events in an educational perspective, the Ice Hockey Committee has adopted the following regulations relative to the participation in the MIAA Ice Hockey Tournament.

These regulations specifically provide the requirement that all member schools that elect to enter the MIAA Ice Hockey Tournament, after meeting the necessary requirements, will provide the presence of school personnel that will assist the efforts of on-site management in MAINTAINING CONTROL AND CONDUCT OF THEIR STUDENT SPECTATORS AT ALL GAMES IN THE TOURNAMENT IN WHICH THEIR TEAM IS A PARTICIPANT. THIS IS A REQUIREMENT FOR ENTRANCE INTO THE TOURNAMENT.

These school staff members, designated as school security, shall be appropriately identified. **They are to report by name to the Site Manager and seat themselves in their school-student section.** Vests or other identifiable symbols will be supplied by the MIAA and worn by school staff members designated as school security for the sectional first round to the conclusion of the tournament. It is the responsibility of the Site Manager to distribute vests to the designated school representatives and the competing schools must return vests to the Site Manager at the conclusion of the game. The Site Manager shall review the functions of school security as listed below:

- A. SIT WITH STUDENT POPULATION OF THEIR SCHOOL
- B. DISCOURAGE ALL UNACCEPTABLE BEHAVIOR AND ACTIVITY THAT PROVOKES OR RESULTS IN UNACCEPTABLE BEHAVIOR BY OTHERS OR IS RETALIATORY TO UNACCEPTABLE BEHAVIOR OF OTHERS.
- C. KEEP STUDENT POPULATION IN THEIR OWN AREA.
- D. ASSIST IN ENFORCING TOURNAMENT REGULATIONS RELATED TO SIGNS, BANNERS, NOISEMAKERS, RADIOS, ETC.
- E. PROVIDE ASSISTANCE TO THE SITE MANAGEMENT PERTAINING TO ENTRANCE AND EGRESS OF STUDENT SPECTATORS.

COMPLIANCE WITH THESE REGULATIONS IS NECESSARY FOR ENTRANCE:

Schools ***WILL NOT*** be permitted to enter the tournament if the Sportsmanship Responsibility of Competing Schools Compliance Form is not signed and filed with your respective Sectional Director by entry form deadline (Feb.19, 2008).

Schools not in compliance with the minimum security staff members for their scheduled game will have this action of noncompliance subject to review by the Ice Hockey Committee, and noncompliance may lead to ineligibility for the Ice Hockey Tournament the following year.

We remind the member schools that this requirement for participation in the Hockey Tournament has been approved by the Board of Directors in the interest of good sportsmanship and of conducting the tournament in an educational atmosphere.

DIVISION IA HOCKEY TOURNAMENT FORMAT OF PLAY

The IA Tournament will consist of *ten* MIAA ice hockey teams regardless of pre-season divisional classification or geography. The *ten* teams will be selected by the Tournament Seeding Committee on Saturday, February 23rd at the MIAA office in Franklin. The *ten* teams selected will be considered the strongest ice hockey teams in the state. *Division IA will be power seeded and will consist of a Wild Card Preliminary Round and a Two-bracket Round Robin, a Semi-Final Crossover and a Final game.*

Each of the ice hockey teams selected will be eligible to participate only in the Division IA Tournament with the exception of seeds 7, 8, 9, and 10.

A IA Wild Card Preliminary Round will be played. The top six (6) seeds will be power seeded and will draw a bye. The remaining four (4) teams will be (wild card) placed in seed 7, 8, 9 and 10 according to their winning percentage. Seed 7 will play Seed 10 and Seed 8 will play Seed 9.

If you are looking for 2 teams, the top 2 teams ranked in the tie-breaker, will advance. If two teams advance on 1-4, they will be seeded using head-to-head. If one team advances on 1-4, the remaining two teams will be seeded using head-to-head. If you are looking for 1 team, the top team in the tie-breaker, will advance.

Overtime Procedure:

All Games Ending in Ties During Regular Play- Overtime Procedure for all Divisions (IA, I, II, III), Boys & Girls in all games except the State Finals.

In case of a tie score at the end of the third period, if an overtime is played, there shall be a three-minute intermission, ends shall not be changed, and play shall be continued for not more than eight minutes. Teams shall remain in the bench area between the end of the third period and the beginning of the overtime period. The team that scores first wins, and the game is ended. (National Federation Rule, Section 38, Art.1)

If tied at the end of the 8 minute overtime then will be a shootout to resolve the winner (team to move on in Tournament Play).

Shootout Procedure

If no winner is still determined, then the teams will enter a shootout.

In Round One of the shootout, the coaches will submit, in the order that the players will shoot, a list of 5 players who will shoot alternating in a penalty shot situation. At the end of Round One, the team with the most goals shall be declared the winner of the game. If at the end of Round One, the score is tied, the teams will continue on in the shootout. If at any point in Round One of the shootout, a team is leading the shootout by more goals than the opposition has shooters remaining, the shootout is over and the team will be declared the winner.

In Round Two, the coaches will submit, in the order that the players will shoot, a list of 5 different players than those who participated in Round One. These players will shoot in an alternating penalty shot situation in a sudden victory format.

In the shootout, the higher seed will have the option of shooting first or second. This will remain in effect for the entire shootout process.

Ice making policy will be determined by the Hockey Committee.

The winning team, for tie-breaking purposes, will be awarded a one-goal victory.

This overtime policy could be adopted for all MIAA Ice Hockey Tournament games.

Medical Coverage:

A game will not start unless an MIAA assigned physician, licensed athletic trainer or certified EMT is present. In the event of an accident or injury to a player, that medical person will make the final judgment as to whether a student athlete may continue.

Officials will be assigned by the MIAA Ice Hockey Committee and paid in accordance with fees established by the MIAA Game Officials Committee. Tournament qualifying schools are urged to submit names of officials with the MIAA Tournament Application attached. Officials shall report their arrival to the MIAA Site Director and shall work in games assigned. Officials shall remain on the ice at the end of each period until all players have left the ice. Only MIAA enrolled game officials who worked a minimum of nine (9) MIAA Ice Hockey Interscholastic Athletic contests will be assigned. Officials are required to wear the NIHOA crest. Game Officials will conduct a pregame meeting in each team's locker room before each Tournament contest.

- For the Division IA Tournament 3 game officials will be assigned in every game.
- For all games, in all Divisions from the sectional semi-finals and beyond 3 game officials will be assigned.

Spectators may not bring cans or bottles of beverages to game arena. Liquor must not be brought onto the premises of the arena in which the game is being played. (Ch. 314, Acts of 1973)

Each squad will be limited to a maximum of twenty-two (at least two of whom must be goalkeepers) players. "Only players in uniform, four other team personnel and a licensed athletic trainer shall be permitted to occupy the team bench area". Violation will result in a minor penalty, (interpretation) pg. 15, Rule 9b, National Federation Ice Hockey Rules.

Coaches must remember that their influence will be reflected in the actions of players, students, and spectators; i.e., coaches contribute to good crowd control.

Coaches must remain on the bench during the progress of the game, accept the decision of officials without showing emotion, keep players together in entering and leaving the playing area. Displeasure with officiating should be manifested in a written complaint to the MIAA Tournament Director. Avoid all public displays of criticism, before players, spectators and the media.

Coaches should caution their teams against gloating over opponents after winning.

End of Game Rule:

Goalkeepers shall remain in their privileged areas. A **MINOR** shall be assessed each player who does not comply. If the violation continues, MISCONDUCT will be assessed. If violation of this requirement continues, a **GAME MISCONDUCT** shall be assessed.

Victory Celebration Policy: No gloves and helmets at the conclusion of the game may be removed. In addition, piling on is prohibited. Game Officials may call a one game suspension for any violating player.
