## **MIAA Announces District Sportsmanship Award Winners**

(Franklin) - The Massachusetts Interscholastic Athletic Association announces the winners of the Annual District Sportsmanship Awards. Each of the eight district athletic committees chose schools that exemplified outstanding sportsmanship. School representatives will be presented with a plaque in front of approximately 600 administrators, coaches and high school captains at the 11th Annual MIAA/MSSADA Sportsmanship Summit to be held November 19, 2004 at the Wyndham Hotel in Westborough.

The annual Sportsmanship Summit focuses on coaches' education, the role of the high school captain, and other sportsmanship issues. The theme of this year's event is "The Role of the Media in Promoting Sportsmanship." The goal of the event is to promote good sportsmanship and citizenship among athletes, spectators and the community. Under the MIAA philosophy, ethical behavior and integrity are essential ingredients for all interscholastic athletics.

The district award winners were chosen for best reflecting the MIAA philosophy. The complete list of award winners is as follows:

**District A** - Gloucester High School

**District B** - Watertown High School

**District C** - Scituate High School

**District D** - Martha's Vineyard Regional High School

**District E** - Hudson High School

**District F** - Monson High School

**District G** - Taconic High School
