

Q4 Briefly describe your greatest concern for the 2020-2021 school year related to COVID-19:

Responses from Coaches

MIAA COVID-19 Task Force Survey

#	RESPONSES	DATE
1	Bus trips.	7/2/2020 10:51 AM
2	Increase in the number of positive cases/greater spread of the virus & Increased risks based on too many people/students in enclosed areas	7/1/2020 9:27 AM
3	the spread of covid and constant infections	6/30/2020 9:41 PM
4	We have school choice and local communities have a higher covid daily count that will be brought to our school	6/30/2020 6:11 PM
5	Distancing in the school.	6/30/2020 1:52 PM
6	Not having a strong plan in place.	6/30/2020 10:01 AM
7	Safety for players. I want them to play but not risk outbreak.	6/29/2020 10:43 PM
8	safety of students- which includes their mental health and wellness. Schools need to open	6/29/2020 8:29 PM
9	Concerned about student-athletes having to practice and play games with masks on.	6/29/2020 8:18 PM
10	Student safety	6/29/2020 8:15 PM
11	I do not have concerns regarding the spread of COVID-19, more so, how the restrictions are going to effect team transportation and game play. My hope is that sports do not get over-complicated.	6/29/2020 7:17 PM
12	Safely getting students and teachers back to school	6/29/2020 12:15 PM
13	I am concerned that the students won't have a positive high school experience (academic, athletic or the arts) and that the student athletes won't have a chance to compete.	6/29/2020 11:50 AM
14	I am concerned that we will not have a season.	6/29/2020 11:43 AM
15	too many people in close proximity to each other and having to rely on self-regulation ("stay at home if you don't feel well.")	6/29/2020 10:38 AM
16	That more people get sick and we have to leave school and sports get cancelled.	6/29/2020 10:09 AM
17	Gathering in large groups with players/spectators that may be asymptomatic with COVID.	6/29/2020 9:48 AM
18	The need to transition back to online learning and how that will impact student learning, but also extra curricular activities that students value.	6/29/2020 8:36 AM
19	Health and Safety considerations	6/29/2020 8:24 AM
20	Too many students in the school at once. Not enough social distancing.	6/29/2020 7:46 AM
21	My greatest concern is that schools will not open and athletics will be cancelled. As a coach and a parent, I want schools to open. I want athletics to continue.	6/28/2020 5:45 PM
22	Mostly, being indoors for hours without enough circulating air. Then, the ability to carry out social distancing. Kids staying in masks and washing hands enough.	6/28/2020 4:44 PM
23	High contact between students and inherent inability to social distance based on the number of people at school.	6/28/2020 1:55 PM
24	Large XC events such as championships, invitationals, the mass start of cross country runners even at dual meets. You can have 30 -400 runners in a huge pack depending on the race. There can be 1000 spectators massed around the finish with kids breathing heavy-they could be very exposed. Swimming-I do not see any way to socially distance on most of the pool decks we go to. Ventilation in some older smaller pools is also a major concern. Some teams have 40 to 70 kids for both boys/girls. Add in parents you cannot move. Generally, if one kid gets infected on a team and we have to isolate, that is 2 weeks of not being able to play/practice for not only individual but also any one exposed(maybe whole team) In a small school that is the season and will effect standings. We had the flu rip through our school this year at one point 50% of our team was out. Covid is more infectious than the flu so it could devastate a season.	6/28/2020 10:04 AM
25	How to keep my athletes safe and social distancing while developing a team.	6/27/2020 2:55 PM

MIAA COVID-19 Task Force Survey

26	That there will be another surge and schools will be closed for an extended period of time.	6/27/2020 7:14 AM
27	keeping students and their families safe	6/26/2020 9:17 PM
28	1st - Starting the season then stopping it. 2nd - Also with increased activities esp in professional sports there seems to be an alarming increase of covid positive cases. Wont that trend be the same as we increase sport / school activity?	6/26/2020 5:33 PM
29	Health risks posed to students and staff by returning too soon.	6/26/2020 4:14 PM
30	Aside from community spread and death, potential reduction in roster size based on infection and quarantine.	6/26/2020 4:00 PM
31	Supplies, safety, double work for teacher.	6/26/2020 2:35 PM
32	Being liable for temperature checks, potetinal waivers for COVID 19, and having limits of players in our program. We only have one field for V/JV/freshman to practice on. We do not have lights- we all practice at the same time and due to social distancing I am worried about impacting my program	6/26/2020 1:44 PM
33	Finding a way to be within the school and not promote the press of the virus. I'm finding it hard to meet guidelines while still having students participate in a contact sport.	6/26/2020 12:02 PM
34	Parents keeping their kids home when they are sick.	6/26/2020 11:51 AM
35	School-related super spreading event	6/26/2020 11:44 AM
36	Keeping students 6 feet apart inside of a classroom is not feasible in most schools and certainly not in schools with such old building as ours (Boston). If we were to do hybrid, I am not sure that we would be allowed to do sports.	6/26/2020 10:53 AM
37	physical distance testing of students and staff	6/26/2020 10:35 AM
38	Not being able to have a season. I am worried about the athletes who are relying on sports scholarships, the social impact, and the activity level of these students.	6/26/2020 10:29 AM
39	Students missing out on their social/emotional well being experiences and opportunities.	6/26/2020 10:13 AM
40	Students won't have the opportunity to participate and I have witnessed there lack of social distancing because they need to play....and they have all spring!	6/26/2020 9:30 AM
41	No Sports	6/26/2020 9:01 AM
42	Returning to normality	6/26/2020 7:38 AM
43	Students being responsible enough when it comes to social distancing.	6/25/2020 11:15 PM
44	All the uncertainties, in the numbers of cases of COVID-19, in the risks of exposure, in setting goals and expectations for student athletes, etc.	6/25/2020 11:03 PM
45	Will players need to wear masks? Will players, coaches and fans be safe?	6/25/2020 8:37 PM
46	Having the building at full capacity while still adhering to the safety guidelines.	6/25/2020 7:08 PM
47	My greatest concern is that sports seasons will be cancelled again and the students won't have the opportunity to play.	6/25/2020 7:03 PM
48	I worry that athletes will have to wear masks to play and in some sports like soccer that is impossible because of the risks associated on this behalf.	6/25/2020 3:58 PM
49	I worry about the effects no sports at all would have on high school students.	6/25/2020 1:02 PM
50	Delayed or lack of information. If updates aren't being sent regularly it's difficult to keep track.	6/25/2020 12:47 PM
51	containing COVID within the adult population and working population	6/25/2020 11:30 AM
52	Returning to school and normalcy regarding co-curricular activities.	6/25/2020 10:35 AM
53	Returning to conditions that are safe for everyone.	6/25/2020 10:34 AM
54	The safety of student, teachers, their families, and the overall spread of COVID	6/25/2020 9:56 AM
55	I'm most concerned about a second wave of the COVID-19 pandemic.	6/25/2020 9:31 AM

MIAA COVID-19 Task Force Survey

56	MY concern is the MIAA will shut Fall sports. Research shows fresh air, exercise and sunshine are the best ways to stay healthy	6/25/2020 9:27 AM
57	Safety of staff and students	6/25/2020 9:01 AM
58	Staying healthy - I fear for the health of my students, my athletes, my coworkers, and bringing Covid home to my family	6/25/2020 8:58 AM
59	Concerned more about NOT returning to school, sports and extracurricula than I am about resuming school as usual.	6/25/2020 8:40 AM
60	Will enough students/athletes attend school so there can be coherent tryouts and a useful or complete season. This is different from a safety/health concern, which seems minimal	6/25/2020 8:37 AM
61	Minimizing the risk to athletes, coaches and families of spreading and catching C-19. Having continuity with other districts on how they manage and mitigate the spread of the disease. Also being transparent and having ongoing communication on if an outbreak occurs.	6/25/2020 8:32 AM
62	Spreading the virus	6/25/2020 8:13 AM
63	Male teachers 65 yrs and older with underlying health conditions	6/25/2020 7:54 AM
64	Another outbreak because we try to rush into fall sports	6/25/2020 6:41 AM
65	Too many politicians and non- school related personnel making decisions and recommendations that are unsustainable. Let the districts see to themselves.	6/25/2020 6:25 AM
66	Maintaining social distance, and/or wearing of masks full time.	6/25/2020 5:56 AM
67	Provide opportunities for students while keeping them healthy and safe.	6/24/2020 10:38 PM
68	Players safety	6/24/2020 8:32 PM
69	Keeping children socially distanced	6/24/2020 8:03 PM
70	How athletes will be able to maintain Social Distancing.	6/24/2020 7:31 PM
71	Adhering to impossible health guidelines respective to football	6/24/2020 7:23 PM
72	I am concerned at the continued over reaction will continue to harm kids and they will not be able to return to play.	6/24/2020 5:24 PM
73	Potential exposure and reporting of illness in a timely fashion. If a school has a case of COVID-19, how quickly would they report it or would it be after they have exposed another school district.	6/24/2020 5:04 PM
74	people getting sick	6/24/2020 4:50 PM
75	That people will get lazy about social distancing and wearing masks and we will not get to the appropriate phase in time.	6/24/2020 4:38 PM
76	Kids passing the hallways. All eople not taking it seriously enough.	6/24/2020 4:29 PM
77	Our gym has no AC so if the girls have to wear masks they risk overheating. We also are afraid with the number restrictions we cannot practice each team at the same time or hold tryouts.	6/24/2020 4:14 PM
78	Traveling to games by bus. Concerned that the school doesn't have the budget or personnel to send 2-3 busses per team to away games.	6/24/2020 3:48 PM
79	Support from the district administration	6/24/2020 3:48 PM
80	Outbreak	6/24/2020 3:42 PM
81	Covid transmission . Very close proximity. Social distancing not possible.	6/24/2020 3:18 PM
82	Maintaining social distancing inside a classroom	6/24/2020 2:50 PM
83	My greatest concern is that we don't return to our building and that kids won't have the opportunity to socialize with their peers and teachers.	6/24/2020 2:46 PM
84	Busing and lunches	6/24/2020 2:25 PM
85	Providing a safe environment for students and athletes	6/24/2020 2:18 PM

MIAA COVID-19 Task Force Survey

86	Students being close to one another during the school day	6/24/2020 2:09 PM
87	Safety	6/24/2020 1:35 PM
88	That teachers and coaches will become infected and everything will shut down again.	6/24/2020 12:46 PM
89	Lack of vaccine	6/24/2020 12:18 PM
90	Coaching large groups of athletes and bus transportation!	6/24/2020 12:13 PM
91	safety for all.....	6/24/2020 12:12 PM
92	The faculty and staff seem to be at greater risk than the children. My worry is more for them.	6/24/2020 11:40 AM
93	That we don't keep moving forward with phses.	6/24/2020 11:29 AM
94	Locker rooms sanitation Transportation	6/24/2020 11:04 AM
95	How to keep everyone safe	6/24/2020 10:59 AM
96	Transmission from students to households that have young children, elderly, those who have underlying health conditions.	6/24/2020 10:40 AM
97	That there aren't enough contingency plans for how to educate the kids, under different and changing circumstances.	6/24/2020 10:30 AM
98	Too much close contact between hundreds of people indoors. Solutions floated out there like staggering schedules and hybrid will never work.	6/24/2020 10:12 AM
99	My players get sick	6/24/2020 10:09 AM
100	Health & safety of staff & students. Plus, I am concerned about what our schedule will look like with students having to social distance.	6/24/2020 10:05 AM
101	Loss of athletic events if there are positive tests	6/24/2020 10:00 AM
102	I want to have a soccer season!	6/24/2020 9:58 AM
103	Transportation density on buses after day of exposure to large groups of people in school and then competing without masks and nonsocial distancing.	6/24/2020 9:21 AM
104	social distancing	6/24/2020 9:10 AM
105	Concern of having all the student population attend face to face instruction or if they will continue remote learning. Also the consistency of the school year and essentially the in and out factor of school either open or closed	6/24/2020 9:06 AM
106	Over crowded buses and not enough space in the classrooms or locker rooms for 6 feet social distancing.	6/24/2020 9:04 AM
107	Spacing to separate students, sports with masks is nearly impossible, fear of spiking spread of virus	6/24/2020 8:58 AM
108	What happens when one individual tests positive on a team, what does that mean for the rest of the team?	6/24/2020 8:34 AM
109	I would like sports to be able to receive and am concerned that if it doesn't, there will be a domino effect of mental and emotional health issues for many athletes.	6/24/2020 8:04 AM
110	I do not have any	6/24/2020 7:53 AM
111	That the administration will be overly cautious.	6/24/2020 6:30 AM
112	Athletic participation without a developed vaccine	6/24/2020 5:46 AM
113	Parents unwilling to send their kids back to school	6/23/2020 11:40 PM
114	I think creating a league season through the month of September and early October; then allowing mid-October to begin State Tournament play would make sense. Playing a full 18 game schedule in addition to tournament play would only invite encourage the possibility of the COVID-19 virus to flair-up.	6/23/2020 11:14 PM
115	My greatest concern for the school year would be missing sports. The impact on students	6/23/2020 10:42 PM

MIAA COVID-19 Task Force Survey

mental health, social skills has been great. Taking safety steps I would love to see us back to school and playing sports

116	Safety for all involved.	6/23/2020 10:17 PM
117	Over regulation by the state regarding low risk communities.	6/23/2020 10:00 PM
118	Wearing masks, being able to coach effectively while social distancing, being able to coach effectively while only working with small groups of 10 or less.	6/23/2020 9:52 PM
119	For school it is how we will handle the hybrid model. Sports it is transportation	6/23/2020 9:51 PM
120	Returning to school and having Fall Athletic Seasons	6/23/2020 9:42 PM
121	Busing	6/23/2020 9:13 PM
122	Morale of the kids if we go to A day B day schedule, meaning that some kids will be home while others are in school	6/23/2020 9:11 PM
123	That we won't have a fall (or later0 s	6/23/2020 9:03 PM
124	Contact spreading due to lack of students or faculty being disciplined enough to stay vigilant when following protocols.	6/23/2020 9:01 PM
125	DESE mandating a hybrid schedule that impacts fall sports	6/23/2020 9:00 PM
126	The healthcare system being overwhelmed	6/23/2020 8:41 PM
127	How to maintain social distancing and safety guidelines and STILL be able to play/practice normal soccer.	6/23/2020 8:17 PM
128	Challenges around schools/attendance/localized outbreaks allowing students to physically attend school.	6/23/2020 8:14 PM
129	There is no way to accommodate the number of students at one school let alone 9 schools in the district. The space, numbers of teachers, and the extra costs will not be adequate enough to sustain a quality educational experience.	6/23/2020 5:57 PM
130	A one size fits all policy Each town is different	6/23/2020 5:16 PM
131	spreading this disease ,deadliness to older,	6/23/2020 5:16 PM
132	Students and staff feeling safe	6/23/2020 5:08 PM
133	Safety, safety, safety. As we have seen with the opening of college athletic facilities such a Clemson University football, we have seen what a monumental challenge this will be. Safety of athletes as well as their families must be the highest priority.	6/23/2020 5:07 PM
134	Health and safety of players and coaches.	6/23/2020 4:31 PM
135	Implications of social distancing on students higher risk for athletes where social distancing is not possible depending on the sport.	6/23/2020 4:31 PM
136	Starting the season, and working w/ Parents to ensure students are safe.	6/23/2020 4:01 PM
137	Monitoring symptoms during practices and having several athletes out sick/being unable to engage in games etc due to this. Even if it's not Corona Virus, taking the precaution to have all athletes with symptoms seen by a doctor.	6/23/2020 3:49 PM
138	Making sure that all health concerns are covered	6/23/2020 3:44 PM
139	How can we test for COVID-19 on a daily basis. Is it feasible for students to self test before coming to school each morning. Can athletes self test before practice?	6/23/2020 3:38 PM
140	Elder staff members and those with compromised immune systems.	6/23/2020 3:28 PM
141	How to safely practice social distancing.	6/23/2020 3:27 PM
142	Testing	6/23/2020 3:12 PM
143	Budget Constraints, inconsistency among schools in league (some playing, some not)	6/23/2020 3:01 PM
144	The health and mental well-being of my school's staff and students.	6/23/2020 2:55 PM

MIAA COVID-19 Task Force Survey

145	Parents, Teachers, and Students opting out of whatever rules and protocols are put in place. Basically, school is on but teachers or students opt not to attend. Sports are on, but coaches or officials choose not to participate. I worry that people opting out could severely hamper any efforts to have things be normal.	6/23/2020 2:48 PM
146	A resurgence of the virus and if there becomes cases in the school or on your team, does everything have to come to a complete halt.	6/23/2020 2:42 PM
147	If we are going back to school, are we being safe about it	6/23/2020 2:35 PM
148	That we would not have a season, which I think based on how things are going would be a tragedy. I think we are moving in a good direction and although I do not think Covid will just disappear I do think the danger has decreased. I think if those that are more at risk remain quarantined as they are right now anyways, it would be appropriate to allow others to intelligently get back to life.	6/23/2020 2:29 PM
149	Testing	6/23/2020 2:25 PM
150	The extremes we will be asked to go to by the public. Also the financial expectations	6/23/2020 2:23 PM
151	My major concern is that the season will be cancelled and the young men and women in the MIAA will lose an important part of their academic career. I also hope at risk coaches can skip this season if they don't feel comfortable but have their position on the staff available for them next year.	6/23/2020 2:15 PM
152	Being overly cautious. If we follow the CDC guidelines on personal and and surface cleaning guidelines, I believe we can have a very normal season.	6/23/2020 2:12 PM
153	Safety of staff, students. Lack of following guidelines	6/23/2020 2:02 PM
154	2nd Spike that causes school facility closures.	6/23/2020 1:51 PM
155	Will students & coaches be safe? Will players be playing sports in mask and is that safe(lack of oxygen)? What happens when someone has symptoms & test positive? How can you social distance while playing sports? Protocols for practice, games, and bus rides?	6/23/2020 1:42 PM
156	My worry right now is a second wave of COVID-19 cases preventing us from having a 2020-2021 season. On the other hand I also worry about the obvious potential for players and entire teams being exposed while on the field.	6/23/2020 1:39 PM
157	The health and safety of the players I coach and oversee. With that said, their mental states should they not be able to play is also part of the "health" component that concerns me. Cancelling another season of high school sports is undoubtedly going to have a major negative impact on the mental state of our young student athletes and that should be considered when thinking about the "health and well being" of our students.	6/23/2020 1:37 PM
158	That the school system will allow all 1800 students back at one time. This transition needs to happen systematically.	6/23/2020 1:35 PM
159	Length of season.	6/23/2020 1:29 PM
160	Size of classes, spread of disease, money to make necessary changes.	6/23/2020 1:16 PM
161	Effectively avoiding spread to at risk population outside of school.	6/23/2020 1:13 PM
162	In terms of teaching, having to be around students in a building that is not well ventilated/cleaned. In terms of athletics, having too large a team, transportation issues. I know my athletes can likely cover their own transportation, but this may negatively impact some districts more than others. Having too large a team to maintain distancing measures is also a concern.	6/23/2020 1:10 PM
163	All general liabilities.	6/23/2020 1:09 PM
164	Amount of students in classrooms	6/23/2020 1:07 PM
165	Keeping social distance property	6/23/2020 1:06 PM
166	No Sports	6/23/2020 1:03 PM
167	Government continuing to overstep their bounds and ruining students' educational experience.	6/23/2020 12:48 PM
168	My biggest concern is that our student athletes will not only be able have a traditional school	6/23/2020 12:23 PM

MIAA COVID-19 Task Force Survey

year but also that they will not be able to participate in the sports that they love and that keep them engaged in their academics.

169	What happens when an athlete tests positive	6/23/2020 12:16 PM
170	Student-athletes adhering to strict safety measures.	6/23/2020 12:13 PM
171	I believe sports are needed to Help with mental and physical health for student Athletes and my concern is that if there is no in person learning in the fall sports will also be canceled which I believe could be detrimental to the students.	6/23/2020 11:57 AM
172	Misinformation	6/23/2020 11:49 AM
173	No sports.	6/23/2020 11:43 AM
174	I	6/23/2020 11:32 AM
175	promoting and maintaining safety and good health for all	6/23/2020 11:32 AM
176	Losing another season.	6/23/2020 11:31 AM
177	Viral transmission	6/23/2020 11:28 AM
178	That student athletes will not be able to play sports	6/23/2020 11:23 AM
179	safety of students, coaches, officials, fans	6/23/2020 11:14 AM
180	Safe training and safe competition	6/23/2020 11:13 AM
181	That all students, faculty and staff are able to return to school in a safe environment in which learning can take place.	6/23/2020 11:05 AM
182	Overreaction by state officials. Having 30% of your school population in the building is an impossibility for families. COVID specific concerns are the precautions needed and PPE	6/23/2020 11:02 AM
183	Ability of teachers and students to social distance in the school building, considering teacher/student ratio and size of classrooms, hallways, bathrooms	6/23/2020 11:02 AM
184	having enough space in classrooms to teach safely, students following protocol, ability to have sports	6/23/2020 10:57 AM
185	Spread of the virus and possible increase in the fall.	6/23/2020 10:56 AM
186	Ability to return to athletics and extracurricula	6/23/2020 10:50 AM
187	Our ability to keep young elementary children safe.	6/23/2020 10:49 AM
188	Social distancing is not possible in a classroom or in soccer	6/23/2020 10:46 AM
189	My greatest concern is losing students because maybe their parents do not when them in school because of COVID.	6/23/2020 10:43 AM
190	Class size (which translates also as "team size") and the ability to keep students practicing social distance both in class, the building, locker rooms, fields...	6/23/2020 10:35 AM
191	Kids losing motivation if remote learning continues—or even if it doesn't— and they have no outlet through other activities like clubs and sports.	6/23/2020 10:34 AM
192	The safety of students, players and the adults who work with them.	6/23/2020 10:33 AM
193	Equality	6/23/2020 10:33 AM
194	Outbreak	6/23/2020 10:29 AM
195	Second wave. Inability to properly prepare and run practices throughout season. Rushing back and doing things wrong.	6/23/2020 10:28 AM
196	My main concern is the students social, emotional health.	6/23/2020 10:23 AM
197	limited or no sports would be catastrophic to our student athlete's growth and well being	6/23/2020 10:14 AM
198	Getting all students engaged in learning while also having expectations for students participation.	6/23/2020 10:12 AM

MIAA COVID-19 Task Force Survey

199	I fear that parents will not trust the safety precautions put in place and keep their kids home to school. It's such a disservice to the students.	6/23/2020 10:11 AM
200	Student spacing requirements	6/23/2020 10:06 AM
201	One of my athletes or coaches contracting the virus and the impact that would have on our school community.	6/23/2020 10:03 AM
202	Waiting too long to make a decision and having everyone hanging around/unclear on what is happening.	6/23/2020 10:02 AM
203	We have a large school with many students. How are we going to be able to practice social distancing with the number of students in the building?	6/23/2020 10:00 AM
204	Losing Sports.	6/23/2020 9:59 AM
205	If students are not all in the building on the same day how do we conduct practices and games?	6/23/2020 9:59 AM
206	Negative mental health effects that remote learning and social distancing has caused our student athletes.	6/23/2020 9:58 AM
207	Due to a spike in cases, learning will be done remotely and there will be no athletics.	6/23/2020 9:56 AM
208	Overall safety of students; ability to keep schools sanitized.	6/23/2020 9:53 AM
209	I am concerned that administration will cancel extra curricular activities	6/23/2020 9:53 AM
210	Lack of sports. Lack of classroom academics. Unrealistic rules in place that make it impossible to teach kids how to play or make them not want to play.	6/23/2020 9:50 AM
211	Not having a season.	6/23/2020 9:50 AM
212	Student learning and team bonding experiences	6/23/2020 9:49 AM
213	I am concerned about how students and staff will be able to socially distance themselves from each other.	6/23/2020 9:49 AM
214	My greatest concern is that if you expect the players to play with a mask on their ability to breathe will be greatly inhibited.	6/23/2020 9:47 AM
215	trying to keep my athletes at a safe social distance while playing volleyball and keeping a program of 60 engaged when groups of 10-12 have to remain separated during workouts, all individual skills-no scrimmages or game play. Also, how are athletics going to even work if schools are all remote?	6/23/2020 9:45 AM
216	Presenting a cohesive curriculum	6/23/2020 9:45 AM
217	The opposition by parents to have students wear masks. This does not take into account others around the children and the effects it has on them.	6/23/2020 9:42 AM
218	The impact it will have on seniors.	6/23/2020 9:41 AM
219	Safety of players, sanitation for each player	6/23/2020 9:38 AM
220	My greatest concern is that I don't know how schools will be able to fund the large amount of cleaning that will need to happen. Also, for sports, the amount of people on busses.	6/23/2020 9:36 AM
221	Being able to follow guidelines safely	6/23/2020 9:36 AM
222	The health and safety of older teachers and coaches.	6/23/2020 9:33 AM
223	My greatest concern is taking school and athletics away from these kids, especially since they face very little risk of serious illness. We will be doing far more harm to their mental well being by stripping them of their childhood. Let the kids play	6/23/2020 9:32 AM
224	Closing again after reopening.	6/23/2020 9:32 AM
225	Kids access to getting to school to attend practice if they're still remote learning. They depend on getting to school by bus if their parents are working.	6/23/2020 9:19 AM
226	Being able to reopen schools so students and families are protected.	6/23/2020 9:18 AM
227	Not having the capacity to test often enough that would detect asymptomatic positive infections.	6/23/2020 9:17 AM

MIAA COVID-19 Task Force Survey

228	Students not being in the classrooms during the day. This is negatively impact students in our school. Issues with technology and internet availability hurt our students this spring and that could carry over in the fall. The social emotional well-being of our students is also a priority. Having some normalcy back in their lives will help. While the transition will be difficult at first, it's a need that is being overlooked during this pandemic.	6/23/2020 9:16 AM
229	Funding for required changes to meet guidelines.	6/23/2020 9:16 AM
230	Loss of extra- curricular opportunities for students. Loss of teaching and learning during remote sessions.	6/23/2020 9:13 AM
231	we are a large school of over 2600 students. I feel the regulations are going to make it difficult to follow on a daily basis with students in the hall during passing period.	6/23/2020 9:12 AM
232	balancing students' mental health with their physical safety	6/23/2020 9:04 AM
233	Not having sports when this does not affect healthy young student-athletes, The mental toll is so much greater if you take that away from kids who have worked so hard and all the critical life lessons they get from sports.	6/23/2020 8:52 AM
234	Practicality. Social distancing	6/23/2020 8:41 AM
235	Another large outbreak of the virus once school reopens	6/23/2020 8:33 AM
236	Kids need to attend school in person and play sports.	6/23/2020 8:30 AM
237	Certain outdoor sports in the fall seem safer than others. Golf and cross country seem to be the least likely to transmit Covid-19 while others like soccer, football, cheerleading seem more likely to transmit the virus.	6/23/2020 8:16 AM
238	childcare	6/23/2020 8:09 AM
239	Maintaining the safety of our student-athletes and coaches. Opening of school and then a resurgence of the virus and a shutdown occurs.	6/23/2020 7:57 AM
240	How will the school meet the requirements to have students and staff in the building?	6/23/2020 7:53 AM
241	Over reaction. Mask wearing	6/23/2020 7:52 AM
242	cancellation of a second season	6/23/2020 7:52 AM
243	Balance of safety and mental/physical need for exercise. Both are incredibly important and it is easy for both sides to dig in and not find a middle ground	6/23/2020 7:46 AM
244	Student Athletes and those people helping them get the virus. Until a wellness management plan is established I do not think we can be certain the virus is benign to all involved in athletics.	6/23/2020 7:44 AM
245	School district purchasing PPE's	6/23/2020 7:38 AM
246	Whether or not we will return to school.	6/23/2020 7:37 AM
247	How to maintain safe distancing	6/23/2020 7:23 AM
248	Massachusetts Public Health	6/23/2020 7:16 AM
249	The remote learning model is not effective for teaching all students. We need to be back in school but making smart decisions.	6/23/2020 7:12 AM
250	Getting sick or someone in my family esp my baby	6/23/2020 7:11 AM
251	Keeping students, teachers and school staff safe.	6/23/2020 7:02 AM
252	No sports	6/23/2020 7:02 AM
253	Ability to make the school year feel somewhat normal. Hopefully have athletics but those feel like a long shot. If anything, try to have spring sports since those athletes lost last year too.	6/23/2020 6:14 AM
254	Equality for all players despite different situations and family comfort levels	6/23/2020 4:58 AM
255	Overreaction!	6/23/2020 4:05 AM
256	Not having the Fall season because of the Second Wave of COVID-19	6/23/2020 1:26 AM

MIAA COVID-19 Task Force Survey

257	Safety- keeping the players from spreading it back into the households of family members with high risks	6/23/2020 1:19 AM
258	That a plan that is not realistic will be adopted and then once it fails, we will scramble to reimagine schools with minimal time to plan.	6/22/2020 11:45 PM
259	The CDC parameters are so restrictive they will be cost prohibitive and just functionally impossible for any school to open	6/22/2020 11:33 PM
260	How to keep everyone safe and healthy	6/22/2020 11:27 PM
261	Busing and social distancing. Sound like at best a modified class with students alternating remote learning and attending school.	6/22/2020 11:16 PM
262	The second waive will be worse than the first in terms of the volume of people effected.	6/22/2020 10:56 PM
263	Ability to social distance; surge in cases during the fall; team travel.	6/22/2020 10:48 PM
264	Not enough support for coaches and inequitable allocation of resources/space.	6/22/2020 10:47 PM
265	Lack of choice. Let families and coaches make the choice to play and follow CDC guidelines. People will always take care of their health and their families.	6/22/2020 10:45 PM
266	Lack of testing everyone	6/22/2020 10:42 PM
267	My greatest concern would be that our fall sports would not be allowed to take place.	6/22/2020 10:40 PM
268	Not applicable	6/22/2020 10:37 PM
269	A second or third wave of COVID-19 disrupting the school year and athletic year.	6/22/2020 10:35 PM
270	That there won't be a season. I'm hoping for any accommodations/modifications for each sport to be put in place so the season can safely take place!	6/22/2020 10:29 PM
271	Quarantine measures if a team member tests positive.	6/22/2020 10:28 PM
272	I want an early decision about my sport (volleyball) so that my players know one way or the other.	6/22/2020 10:15 PM
273	Social Distancing	6/22/2020 10:09 PM
274	Athletics, particularly around sports deemed 'contact'.	6/22/2020 10:07 PM
275	Childcare	6/22/2020 9:49 PM
276	My greatest concern is the state canceling sports, which I feel would be an overreaction and unnecessary.	6/22/2020 9:48 PM
277	Distancing and effective in class activity	6/22/2020 9:43 PM
278	Transportation, and restrictions	6/22/2020 9:41 PM
279	Not being able to let the kids compete!	6/22/2020 9:38 PM
280	Season being played	6/22/2020 9:27 PM
281	lockwe ooms and busses	6/22/2020 9:21 PM
282	Students being in school, learning face-to-face.	6/22/2020 9:16 PM
283	Budget and accommodations for all students	6/22/2020 9:16 PM
284	That we will have to shut down again.	6/22/2020 9:10 PM
285	What will the protocol be for positive cases on a team and in a school? Will they be disqualified? Is there a number of cases that quantifies for a whole team shut down? Can we just start screening for fevers?	6/22/2020 9:08 PM
286	What would happen if the virus re-emerged in the population-plan to deal with it and trying to keep the sport in action.	6/22/2020 9:08 PM
287	Contamination of student athletes, coaches, school staff, and their families.	6/22/2020 9:07 PM
288	Overreacting to positive cases	6/22/2020 9:06 PM

MIAA COVID-19 Task Force Survey

289	Lack of games due to cancellations	6/22/2020 8:55 PM
290	Schools adapting to Covid-19 and CDC requirements as well as sports being able restart if there is a possible second wave.	6/22/2020 8:48 PM
291	Ability to social distance while practicing and competing.	6/22/2020 8:44 PM
292	how to implement health plans to keep student - athletes and coaches safe.	6/22/2020 8:43 PM
293	An athlete getting COVID-19	6/22/2020 8:41 PM
294	Keeping everyone at safe distances and having people come to school who are sick.	6/22/2020 8:41 PM
295	Keeping people safe. How can we social distance and have our kids play sports. I can see Golf and Cross Country. I can not see football, soccer, field hockey or volleyball being above to social distance during their sport. How can we transport our athletes to games?	6/22/2020 8:37 PM
296	Practice and game schedules and transportation to away games.	6/22/2020 8:35 PM
297	student health	6/22/2020 8:30 PM
298	My greatest concern is that athletic opportunities will be limited. Our school adapted well to remote learning this spring, but athletics and other extracurricular activities are crucial to the mission of our school.	6/22/2020 8:29 PM
299	Safety of student athletes, officials and families	6/22/2020 8:27 PM
300	Money and space	6/22/2020 8:18 PM
301	Safety of students and faculty in a building with poor air quality; windows do not open and the MA Dept of Health Indoor Air Quality Report has raised a lot of questions that need to be addressed.	6/22/2020 8:18 PM
302	That sports will not happen. It will be a disaster for another season to get cancelled. The mental health toll on athletes will be worse than the covid virus itself. This needs to be a major priority for the MIAA.	6/22/2020 8:09 PM
303	How to run practices, safety protocols and procedures	6/22/2020 8:08 PM
304	not having a season	6/22/2020 8:02 PM
305	Not being able to open up the school. These Children need to get back to school safely	6/22/2020 7:58 PM
306	Getting the virus and passing it on to older people	6/22/2020 7:55 PM
307	Social distancing and wearing masks being consistently followed.	6/22/2020 7:54 PM
308	1)Bus Rides to away games 2)What happens if we have a positive test in school or team. Is rest of season forfeited?	6/22/2020 7:52 PM
309	Loss of daily life for our students.	6/22/2020 7:48 PM
310	Transportation, kids not following guidelines	6/22/2020 7:37 PM
311	School will be remote again. No basketball season.	6/22/2020 7:37 PM
312	I am concerned about potential strains on working families, including my own. With the current discussions of part time school and part time home learning, I am concerned about childcare and remote learning.	6/22/2020 7:33 PM
313	A return to remote learning and no fall sports even with restrictions and safety protocol.	6/22/2020 7:31 PM
314	How we do sports if we have partial number of students allowed to go to school?	6/22/2020 7:29 PM
315	My greatest concern is an over reaction by officials making decisions, Im a wrestling coach and The COVID19 issue is serious but i believe its been exaggerated, If you consider the THOUSANDS AND THOUSANDS of people that have had it but are not officially recorded because they were asymptomatic, the number of people seriously ill or die are less than 1% plus they had underlying health issues, NOT ONE HS kid that had no underlying issues has been affected.	6/22/2020 7:27 PM
316	Some schools have remote learning involved and others don't and would the school even let us have a season	6/22/2020 7:22 PM

MIAA COVID-19 Task Force Survey

317	travel	6/22/2020 7:20 PM
318	Wearing a mask for 9 hours a day. Also proper hydration for the kids during the day. If a kid or staff contract Covid losing games.	6/22/2020 7:19 PM
319	None	6/22/2020 7:16 PM
320	Students and teachers dying.	6/22/2020 7:14 PM
321	Classroom availabilty, faculty availabilty, transportation, daycare for parents, facilities	6/22/2020 7:10 PM
322	The challenge of a potential rotating schedule (school vs. remote) and securing adequate childcare on such a schedule while teaching and coaching.	6/22/2020 7:09 PM
323	Time to get players prepared	6/22/2020 7:09 PM
324	The possibility of a second wave is a real concern	6/22/2020 7:07 PM
325	The fear of the unknown condition of the virus. The information is still very vague with no specific indication on what is right or wrong. Information has c	6/22/2020 7:02 PM
326	giving the kids enough practice and play without a resurgence of covid	6/22/2020 7:01 PM
327	Contact sports and social distancing are mutually exclusive terms. We can't do both and that worries me as football coach.	6/22/2020 7:00 PM
328	Just kids or adults nit know they are sick and coming to school.	6/22/2020 7:00 PM
329	Kids need to get back to a normal routine. School with sports and all other activities.	6/22/2020 6:53 PM
330	Cancellation of athletics and other extra curricular activities.	6/22/2020 6:51 PM
331	Start up then have to stop again.	6/22/2020 6:43 PM
332	To many regulations	6/22/2020 6:39 PM
333	I don't have confidence in school administration.	6/22/2020 6:38 PM
334	Not having Interscholastic athletics	6/22/2020 6:37 PM
335	Social distance	6/22/2020 6:36 PM
336	That we must social distance in the classroom and our sport requires close contact with one another	6/22/2020 6:35 PM
337	Not having sports starting in the fall.	6/22/2020 6:33 PM
338	Not being able to have sports	6/22/2020 6:33 PM
339	I am worried about student athletes being able to social distance both in the classroom and on the field. Transportation is also a concern.	6/22/2020 6:30 PM
340	Concerned that we can't play football	6/22/2020 6:28 PM
341	The ability to safely have school with hundreds of students in an enclosed space.	6/22/2020 6:21 PM
342	Irrational fear	6/22/2020 6:14 PM
343	Not being able to return to in person teaching, and not having our regular sports' seasons.	6/22/2020 6:12 PM
344	That athletics will resume in the fall.	6/22/2020 6:12 PM
345	As a asthmatic I'm worried I could catch it. I am also worried that we may have to do distance learning again, as well as my sport 'Wrestling " being canceled. I thought it was sad that the spring season was canceled, some kids invest a lot into their sport and to not be able to have a shot at winning a state championship your senior year is a horrible thing,not even being able to compete at all is a tragedy in its self.	6/22/2020 6:10 PM
346	That athletes will miss another season of sports	6/22/2020 6:01 PM
347	Not knowing a player on a team we just played has covid-19	6/22/2020 5:52 PM
348	Preparation for when infection rates spike during the winter.	6/22/2020 5:48 PM

MIAA COVID-19 Task Force Survey

349	A second outbreak	6/22/2020 5:46 PM
350	If a school regresses in phases due to an athlete, member of the student body or faculty testing positive.	6/22/2020 5:46 PM
351	Proximity and percentage of school that can be present at a time. Bussing capacity Ability to actually engage in physical contact sports	6/22/2020 5:42 PM
352	Bus transportation, social distance guidelines for on-field players, quarantine rules for players and staff, and proper PPE for players and staff	6/22/2020 5:40 PM
353	obviously spreading any type of virus is a natural concern, but I also think the FEAR factor makes people a bit crazy. My sport is volleyball so we are the only indoor sport in the Fall and I am concerned that our sport will be drastically changed due to restrictions.	6/22/2020 5:39 PM
354	Being over cautious	6/22/2020 5:37 PM
355	I am concerned with students not following social distancing, mask-wearing, and hygiene policies which could lead to spikes in Covid-19 transmission.	6/22/2020 5:36 PM
356	Transportation and Locker Room hygiene, in addition to a sport like football and the athlete proximity on the offensive and defensive line. Other sports less concerns.	6/22/2020 5:34 PM
357	Keeping faculty and older staff safe	6/22/2020 5:31 PM
358	Over reaction to one case. Students will test positive, need to have a comprehensive plan in place as to how this is handled. We can't just shut everything down due to one case.	6/22/2020 5:29 PM
359	Having to wear masks while playing soccer	6/22/2020 5:28 PM
360	Limiting the anxiety both students and staff will have about returning to school.	6/22/2020 5:28 PM
361	Masks being worn all day, bussing	6/22/2020 5:28 PM
362	significant physical contact and not knowing status of student athletes	6/22/2020 5:27 PM
363	Equipment sanititation, social distancing, mask wearing guidelines	6/22/2020 5:25 PM
364	Schools will not be in person. We will do distance learning only	6/22/2020 5:24 PM
365	The entire scope of the Mental Health of the students entrusted to our care. My most salient concern is the prospective adverse and long-term impact that an inordinate amount of distance-learning, in conjunction with the possibility of minimal or no extra-curricular activities, will have upon our students health, development and overall well-being. I sincerely maintain it's a topic and issue that is not receiving nearly the attention, discussion and deliberation which it warrants.	6/22/2020 5:23 PM
366	Student health and well being. Keeping perspective that no degree of elevated risk is acceptable if preventable.	6/22/2020 5:22 PM
367	Students that attend school and stay academically vested due to athletics, who without athletics and being required to remote learn for even a portion of another school year may regress or worse yet drop out of school. This along just the mental well-being of all students who are missing out on the social interaction of school. Add on top of that no matter how big or small the school there are students that school is a place for them to get away from maybe worse situations at home.	6/22/2020 5:19 PM
368	Ability of students and families to manage a hybrid schedule.	6/22/2020 5:18 PM
369	Impact of distant/virtual learning on student/athletes	6/22/2020 5:18 PM
370	Overreaction. If schools are not able to safely open for face-to-face instruction, that does not necessarily mean it will be unsafe to play sports.	6/22/2020 5:17 PM
371	If there are limitations on the number of students allowed in a room, there may be perceived staffing shortages	6/22/2020 5:16 PM
372	Hybrid model limited number of students in school at any one time	6/22/2020 5:16 PM
373	Students not having a sense of normalcy and sports not being able to happen.	6/22/2020 5:14 PM
374	Having very little information to appropriately plan for the best/safe outcomes for students as	6/22/2020 5:14 PM

MIAA COVID-19 Task Force Survey

	both a coach and a teacher	
375	Locker room distances but shouldn't be an issue. That is all.	6/22/2020 5:13 PM
376	That In-person school will be interrupted at various junctures and superintendents will cancel athletics. "No in-person, no play."	6/22/2020 5:13 PM
377	Return to play	6/22/2020 5:09 PM
378	My greatest concern is a high lack of student engagement in academics if there is not extra curricular activities to help keep students engaged.	6/22/2020 5:08 PM
379	I believe that when properly understood, Covid-19 should be seen as a big threat to a very small % of our population, and a small threat to the overwhelming majority.	6/22/2020 5:06 PM
380	I am concerned that I will catch the virus. I am also concerned that if we do not return to some sort of normal it will become increasingly more difficult for us to ever feel as though it is safe to reopen.	6/22/2020 5:06 PM
381	Students who are themselves a high risk individual, students who have family members in their households who have high risk individuals, and faculty members who are themselves high risk or live with people who are high risk. Exposure is exposure, and we should be providing students and teachers the opportunity to CHOOSE virtual if that's what suits their needs. A hybrid isn't a compromise, because these individuals should not be exposing themselves to others, period.	6/22/2020 5:05 PM
382	If/when some kids test positive, will we automatically shut down for good again? Will there be options to go to remote for 2 weeks instead, etc.	6/22/2020 5:04 PM
383	Not being afforded an opportunity to administer athletics within appropriate guidelines ensuring safety for students and staff	6/22/2020 5:03 PM
384	Social distancing in the classroom	6/22/2020 5:02 PM
385	In regards to athletics, the cancellation of entire seasons after already losing out on spring 2020.	6/22/2020 5:01 PM
386	How to keep everyone safe - social distancing with teens is very very difficult. Keeping athletes safe in the locker room and on the bus to and from competition	6/22/2020 4:59 PM
387	Safety of students and teachers in close settings	6/22/2020 4:58 PM
388	Safety of students and an outbreak/uptick in spread of COVID-19	6/22/2020 4:58 PM
389	Limiting contact during transportation and locker rooms. Equity if some students are doing at-home learning. If school is not in normal session without restrictions I do not see how sports can resume safely.	6/22/2020 4:57 PM
390	Older teacher should be placed in a safe place	6/22/2020 4:56 PM
391	Too many restrictions that make education and activities impossible to run.	6/22/2020 4:54 PM
392	I have no concerns	6/22/2020 4:51 PM
393	My greatest concern is not getting kids back in school and back on the athletic fields.	6/22/2020 4:51 PM
394	Transportation to contests	6/22/2020 4:50 PM
395	lack of face to face interaction	6/22/2020 4:48 PM
396	Safety of the lives of family members who are older and adults who are at risk	6/22/2020 4:48 PM
397	No concern. Young people are not in danger	6/22/2020 4:46 PM
398	That Berkshire County schools will be under same restrictions/Rules as Boston/Worcester Counties as related to Covid.	6/22/2020 4:45 PM
399	Restricting class sizes to ten	6/22/2020 4:45 PM
400	Getting clear and consistent guidelines from an authoritative source that everyone follows.	6/22/2020 4:45 PM
401	Our Students not having the CHOICE to come back to school and Athletics	6/22/2020 4:45 PM

MIAA COVID-19 Task Force Survey

402	My greatest concern is that students will not have a proper educational for formation experience. I think since COVID does not impact students to a great degree (not deaths in MA to anyone under the age of 20), that teachers are most at risk. I think we should be figuring out ways to protect teachers, but let kids get back to normalcy as much as possible	6/22/2020 4:44 PM
403	cancelation of fall sports	6/22/2020 4:43 PM
404	Health and well being of students and staff.	6/22/2020 4:42 PM
405	None, I think with the correct safety measures there is not reason we can't have outdoor sports	6/22/2020 4:40 PM
406	how do we deal with an athlete who tests positive	6/22/2020 4:39 PM
407	I do not have any concerns. The state, country, and world knew by mid April that it was elderly people 65+ with underlying health conditions that were the most vulnerable. The very notion that there is concern and possibly adjustments to school environments, seasons, activities - catering to the segment of the population least likely to have any ill effects from the COVID-19 virus is unacceptable.	6/22/2020 4:39 PM
408	That we will have outbreaks in some schools.	6/22/2020 4:39 PM
409	We have no idea what the DESE parameters are at this point and how they will impact decisions made about sports.	6/22/2020 4:37 PM
410	The mental, social well being of the students. They need sports.	6/22/2020 4:37 PM
411	Consistent guidance from the all necessary parties, ie CDC, DESE, MIAA, NHFS etc	6/22/2020 4:35 PM
412	Transportation that follows the CDC guidelines	6/22/2020 4:35 PM
413	Greatest concern for older teachers and those with compromised immune systems.	6/22/2020 4:34 PM
414	Kids not having sports as an outlet	6/22/2020 4:34 PM
415	Students still being in some type of remote learning. Locker room and bussing to away games if students are in school.	6/22/2020 4:34 PM
416	Starting and stopping seasons	6/22/2020 4:33 PM
417	Infection of players or coaches, up to and including fatality, prior to development of a vaccine	6/22/2020 4:32 PM
418	Students missing crucial academic and social development	6/22/2020 4:31 PM
419	I coach soccer so just making sure contact is watched, and cleaning of soccer balls	6/22/2020 4:30 PM
420	Completing the season.	6/22/2020 4:30 PM
421	Getting kids back at school in front of a teacher.	6/22/2020 4:30 PM
422	Health of family members of student athletes.	6/22/2020 4:28 PM
423	For it to be safe for the student athletes	6/22/2020 4:27 PM
424	Illness outbreaks	6/22/2020 4:26 PM
425	The kids having to wear masks. The kids not being able to play sports.	6/22/2020 4:26 PM
426	Keeping students/teachers/coaches safe	6/22/2020 4:25 PM
427	Not having a fall season	6/22/2020 4:25 PM
428	Not having a fall season.	6/22/2020 4:25 PM
429	Bussing of students.	6/22/2020 4:25 PM
430	School starts up in September only for the schools to close again after a month or two.	6/22/2020 4:24 PM
431	As a teacher, my greatest concern is that some students will not return to school right away because they or someone they live with is at heightened risk. Educating the bulk of the student population in-person while observing the necessary procedural modifications and precautions will be one monumental task. Providing remote methods for a smaller fraction of the student population will be a second monumental task. Its not obvious to me that we can do both simultaneously with any reasonable degree of adequacy. As a coach, my greatest concern is	6/22/2020 4:22 PM

MIAA COVID-19 Task Force Survey

the need for sport-specific conversations and solutions. I happen to be coaching a sport (cross country) with a very atypical format. We don't have a lot of physical contact between athletes. We don't have balls or sticks or other equipment or surfaces that are exchanged between athletes. We are not confined to a field and can literally be spread out over miles of trails for significant portions of a typical practice. These are advantages. But we also have some sport-specific disadvantages. For one we don't have a cap on the team size and our program happens to be quite large. Cross Country also has two distinct types of competition (dual meets and invitationals) and while dual meets are smaller and more manageable, invitationals in particular would require a very thoughtful approach. I think there are a lot of potential solutions to some of our problems, but they aren't the same solutions you're going to come up with for a soccer team. There is a need to assess the problem in a sport-specific way.

432	Lack of vaccine, testing and the chance of another spike.	6/22/2020 4:22 PM
433	That all activities (sports and academic) that require people to be closer than 6 feet will be either canceled or significantly changed.	6/22/2020 4:22 PM
434	Loss of seasons for individuals that can't be made up- with particular focus on the graduating class of 2021, who could lose a full year plus of their athletic experiences	6/22/2020 4:22 PM
435	Concern is not having a regular/normal season(s). This is just silly at this point and people should take risk at their choice.	6/22/2020 4:20 PM
436	Creating Social Distancing in a highly populated school.	6/22/2020 4:20 PM
437	For coaching, I'm worried about locker rooms and pool ventilation. Indoor pools haven't opened yet, so we don't know how protocols will work, but can I have 50 swimmers in a practice? 120 at a dual meet? All sharing one toilet in the locker room?	6/22/2020 4:18 PM
438	Social Distancing	6/22/2020 4:16 PM
439	Catching the virus	6/22/2020 4:15 PM
440	Having another missed athletic season	6/22/2020 4:15 PM
441	The impact of a season if a player or coach gets sick because they played/coached.	6/22/2020 4:14 PM
442	Lack of truthful information from the national government.	6/22/2020 4:14 PM
443	Students, athletes, teachers and other school personnel transferring the disease.	6/22/2020 4:13 PM
444	No season	6/22/2020 4:13 PM
445	Keeping students healthy and safe while operating in a framework that would make it impossible to safely prepare for the sports season.	6/22/2020 4:12 PM
446	I'm believe return to play should be extended until the spring... one full year at minimum.	6/22/2020 4:12 PM
447	How can we safely abide by the regulations with the number of students we have.	6/22/2020 4:12 PM
448	People's anxiety about the topic	6/22/2020 4:11 PM
449	That we destroy the Mental and physical well being of our youth out of fear of the affects Covid 19 has on a small population of people. Not having school or athletic will do irreparable harm to a large population of people.	6/22/2020 4:11 PM
450	Containing the spread, feeling safe	6/22/2020 4:11 PM
451	Players, coaches, game officials contracting COVID-19 and having disease progress past mild condition	6/22/2020 4:10 PM
452	With no vaccine in place and so many asymptomatic carriers, the chance for an outbreak remain very high	6/22/2020 4:08 PM
453	That we can provide student athletes with the best possible experience. For mental and physical health, athletics and other extracurricular activities are much needed and we should do our best to safely offer these experiences.	6/22/2020 4:08 PM
454	Transportation	6/22/2020 4:07 PM
455	Another sharp increase and spike of the Covid-19 Virus	6/22/2020 4:05 PM

MIAA COVID-19 Task Force Survey

456	As a coach I have no idea how to fulfill my responsibilities and offer my student athletes an experience that even resembles competitive interscholastic athletics while respecting social/physical distancing guidelines. If people are to stay 6 feet apart it renders the entire enterprise an exercise in frustration.	6/22/2020 4:05 PM
457	Starting the year in school and then needed to go back to remote learning	6/22/2020 4:05 PM
458	Health and safety	6/22/2020 4:04 PM
459	Schools not reopening and sports not being able to be played	6/22/2020 4:04 PM
460	Restrictions on transportation	6/22/2020 4:04 PM
461	Balancing work life and home life.	6/22/2020 4:04 PM
462	The students ability to learn and participate in athletics in a socially distant environment.	6/22/2020 4:04 PM
463	covid	6/22/2020 4:02 PM
464	My biggest concern is the Player's close physical contact with so many different teams. Players would be exposed to an extreme amount of people. Soccer is impossible to have social distancing especially with competitions and games.	6/22/2020 4:01 PM
465	it resurfaces and and kids are in school transmitting it to other kids and adults.	6/22/2020 4:01 PM
466	Remote learning :	6/22/2020 4:01 PM
467	Transporting athletes to games, districts relaxing policies to allow transportation by parents	6/22/2020 4:00 PM
468	Health and wellbeing of students, teachers and families.	6/22/2020 4:00 PM
469	I'm worried that once in phase 3 of Bakers Phases that numbers will rise	6/22/2020 4:00 PM
470	In person teaching and athletics	6/22/2020 4:00 PM
471	A second epidemic	6/22/2020 3:59 PM
472	The ability to provide consistent and strong programming in academics and extracurriculars.	6/22/2020 3:59 PM
473	Unable to maintain safety requirements with social distancing, masks, etc.	6/22/2020 3:59 PM
474	We will have 2600 students on a high school campus built for 1800 maximum capacity. If we follow the state suggested "week on/week off" model, we will still have 1300 kids in an 1800 capacity building, which is too many to safely social distance in classrooms.	6/22/2020 3:58 PM
475	Student athlete and teacher /coach safety	6/22/2020 3:57 PM
476	Providing a safe yet productive school environment	6/22/2020 3:57 PM
477	Covid starting to spread again.	6/22/2020 3:57 PM
478	A second wave hitting us in the fall	6/22/2020 3:57 PM
479	greatest concern is that there will not be athletics. I do not know how to answer the next few questions as the topics are not clear. also i do not know what number district i am in	6/22/2020 3:57 PM
480	That there will be no sports. The kids need to play.	6/22/2020 3:55 PM
481	Structure and safety of returning to play	6/22/2020 3:55 PM
482	Remote teaching	6/22/2020 3:55 PM
483	Making sure enough hand sanitizer and everything stays clean	6/22/2020 3:55 PM
484	Everything? The numbers of positives and deaths today are greater than when the state closed and yet we're moving forward as if it's over. So we're pushing forward just because, but this time starting with a larger infected population. Add to that the addition of flu season and this is dumber than dumb.	6/22/2020 3:55 PM
485	Giving students the opportunity to play competitive sports following the health and safety regulation. Since I am a soccer coach, I have a lot of girls very concerned that they will miss their final high school season after having missed the spring season for club. They want to have an opportunity to be recruited while also playing out their last competitive season as a senior.	6/22/2020 3:55 PM

MIAA COVID-19 Task Force Survey

486	I am concerned that, especially in light of budget cuts, we will not have enough staff to serve students in person while following recommendations for social distancing, and enough staff to enforce guidelines regarding masks, hand hygiene, etc.	6/22/2020 3:54 PM
487	Students need to be back in school. So can we figure out how to be as safe as we can be and still have school.	6/22/2020 3:54 PM
488	Being able to be social distant.	6/22/2020 3:54 PM
489	Causing a 2nd spike and having to go back into quarantine	6/22/2020 3:53 PM
490	over reaction	6/22/2020 3:53 PM
491	I think it is going to be tough to play football with these restrictions. If you start cancelling freshman seasons, etc. you might as well cancel the whole thing. All in or all out. I am also very concerned about the cheating. I do not think it should be up to the schools to make the call. It should be MIAA. That was different teams in different leagues do not have advantages.	6/22/2020 3:52 PM
492	Safety during competition	6/22/2020 3:52 PM
493	Having to close school again and teach remotely	6/22/2020 3:52 PM
494	Inability to safely and consistently social distance.	6/22/2020 3:51 PM
495	sub varsity athletics	6/22/2020 3:51 PM
496	My greatest concern is that our student athletes may lose another season of play. We need to get the kids back out there doing what they love.	6/22/2020 3:51 PM
497	Cancelled season due to partial openings	6/22/2020 3:51 PM
498	Championship Season	6/22/2020 3:50 PM
499	Having students able to be in school or get to school to play	6/22/2020 3:50 PM
500	Players health. The inability to follow CDC guidance. Too many variables to have a successful Fall season.	6/22/2020 3:50 PM
501	transportation/classroom size restrictions	6/22/2020 3:50 PM
502	Bodily contact and sharing of equipment.	6/22/2020 3:49 PM
503	Athlete and coach safety	6/22/2020 3:49 PM
504	Limitations on practice space, space requirements for bench, field contact	6/22/2020 3:49 PM
505	Not being able to have fall sports	6/22/2020 3:49 PM
506	Having enough PPE and safety measure put in place that are routinely followed by schools. Having enough teachers and staff to education AND keep students safe amid the budget cuts and layoffs	6/22/2020 3:49 PM
507	safety of the students and staff	6/22/2020 3:49 PM
508	Staying healthy/not dying.	6/22/2020 3:48 PM
509	Asking students to come to school, and social distance. Our school is so big and rotations would be hard along with asking students to wear masks all day.	6/22/2020 3:48 PM
510	Too many kids with little to no ability to social distance	6/22/2020 3:48 PM
511	I worry about a decision made for the entire state vs regional decisions. We should do all that we can to ensure sports are played and a risk reward factor decided more by the player and parent.	6/22/2020 3:48 PM
512	Large spread outbreaks	6/22/2020 3:47 PM
513	Risk of infection	6/22/2020 3:46 PM
514	How athletics would work in a hybrid learning atmosphere.i.e. 50% in-school & 50% virtual learning.	6/22/2020 3:46 PM
515	Parents, educators, administrators all on the same page	6/22/2020 3:46 PM

MIAA COVID-19 Task Force Survey

516	The loss of in-school personal experiences will have a much greater social-emotional impact on students than the virus itself.	6/22/2020 3:46 PM
517	Not having sports	6/22/2020 3:45 PM
518	Social Distancing and limited class size	6/22/2020 3:45 PM
519	Moral of the students if another season is lost.	6/22/2020 3:45 PM
520	Balancing the safety of children while providing them some normalcy for the return to school.	6/22/2020 3:45 PM
521	Close quarters such as bud rides and indoor practices. Bringing home illness to my family	6/22/2020 3:45 PM
522	Distancing, mask wearing and having the supplies to keep things safe and disinfected.	6/22/2020 3:45 PM
523	Protecting staff - there are great plans in the works for kids, but staff are more vulnerable and there is significantly less flexibility for them	6/22/2020 3:44 PM
524	mental and physical health of students and staff - the more you enhance one of these factors, the more you undermine the other factor	6/22/2020 3:44 PM
525	State restrictions!	6/22/2020 3:44 PM
526	Having to manage crowds. I'm confident we can keep student athletes safe but I'm very concerned about the management of our spectators.	6/22/2020 3:44 PM
527	Teachers/Coaches over the age of 45 getting exposed to the virus.	6/22/2020 3:43 PM
528	That they will not go back until the new year and that athletics will be postponed	6/22/2020 3:43 PM
529	Changing school format numerous times throughout the year. Light restricts to heavy, then back again. Repeatedly, throughout the year.	6/22/2020 3:43 PM
530	Numbers in the class	6/22/2020 3:43 PM
531	The safety of everyone	6/22/2020 3:43 PM
532	Ability to coordinate schedules to limit 10 students per class. Lack of funding to provide PPE	6/22/2020 3:43 PM
533	A resurgence	6/22/2020 3:41 PM
534	I think my biggest concerns are measure put in place to respond if it spikes again	6/22/2020 3:41 PM
535	Cleanliness, supply shortages, extra weight on coaches to monitor health and safety of players, equipment, etc (beyond normal demands)	6/22/2020 3:40 PM
536	unavoidable gatherings of kids	6/22/2020 3:38 PM
