Compliance Policy & School Monitor Job Description

As part of MIAA continuing efforts to promote the concepts of sportsmanship and provide the on-site atmosphere that will keep interscholastic athletic events in an educational perspective, the Ice Hockey Committee has adopted the following regulations relative to the participation in the MIAA Ice Hockey Tournament.

These regulations specifically provide the requirement, that all member schools who elect to enter the MIAA Ice Hockey Tournament, after meeting the necessary requirements, will provide for the presence of school personnel that will assist the efforts of on-site management in **MAINTAINING CONTROL AND CONDUCT OF THEIR STUDENT SPECTATORS AT ALL GAMES IN THE TOURNAMENT IN WHICH THEIR TEAM IS A PARTICIPANT. THIS IS A REQUIREMENT FOR ENTRANCE INTO THE TOURNAMENT.**

These school staff members, designated as school monitors shall be appropriately identified. **They are to report by name to the Site Manager and seat themselves in their school-student section.** Vests or other identifiable symbols will be supplied by the MIAA and worn by school staff members, designated as school monitors, for the sectional first round thru the conclusion of the tournament. It is the responsibility of the Site Manager to distribute vests to the designated school representatives. The competing schools must return vests to the Site Manager at the conclusion of the game. The Site Manager shall review the functions of school monitors as listed below:

- D. ASSIST IN ENFORCING TOURNAMENT REGULATIONS RELATED TO SIGNS, BANNERS, NOISEMAKERS, RADIOS, ETC.
- E. PROVIDE ASSISTANCE TO THE SITE MANAGEMENT PERTAINING TO ENTRANCE AND EGRESS OF STUDENT SPECTATORS.

COMPLIANCE WITH THESE REGULATIONS IS MANDATORY:

Schools not in compliance with the minimum school monitors for their scheduled game will have this action of noncompliance subject to review by the Ice Hockey Committee. Noncompliance may lead to ineligibility for the Ice Hockey Tournament the following year.

This requirement for participation in the Ice Hockey Tournament has been approved by the Board of Directors in the interest of good sportsmanship and of conducting the tournament in an educational atmosphere.

DIVISION IA HOCKEY TOURNAMENT FORMAT OF PLAY

The IA Tournament will consist of ten MIAA ice hockey teams regardless of pre-season divisional classification or geography. Ten teams will be selected by the Tournament Selection/Seeding Committee on Saturday, February 24, 2018 at the MIAA office in Franklin. The ten teams selected will be considered the strongest ice hockey teams in the state. Division IA will be power seeded and will consist of a Wild Card Preliminary Round, 8 Team Elimination Tournament and Final Game.

Each of the ice hockey teams selected will be eligible to participate only in the Division IA Tournament with the exception of seeds 7, 8, 9, and 10.

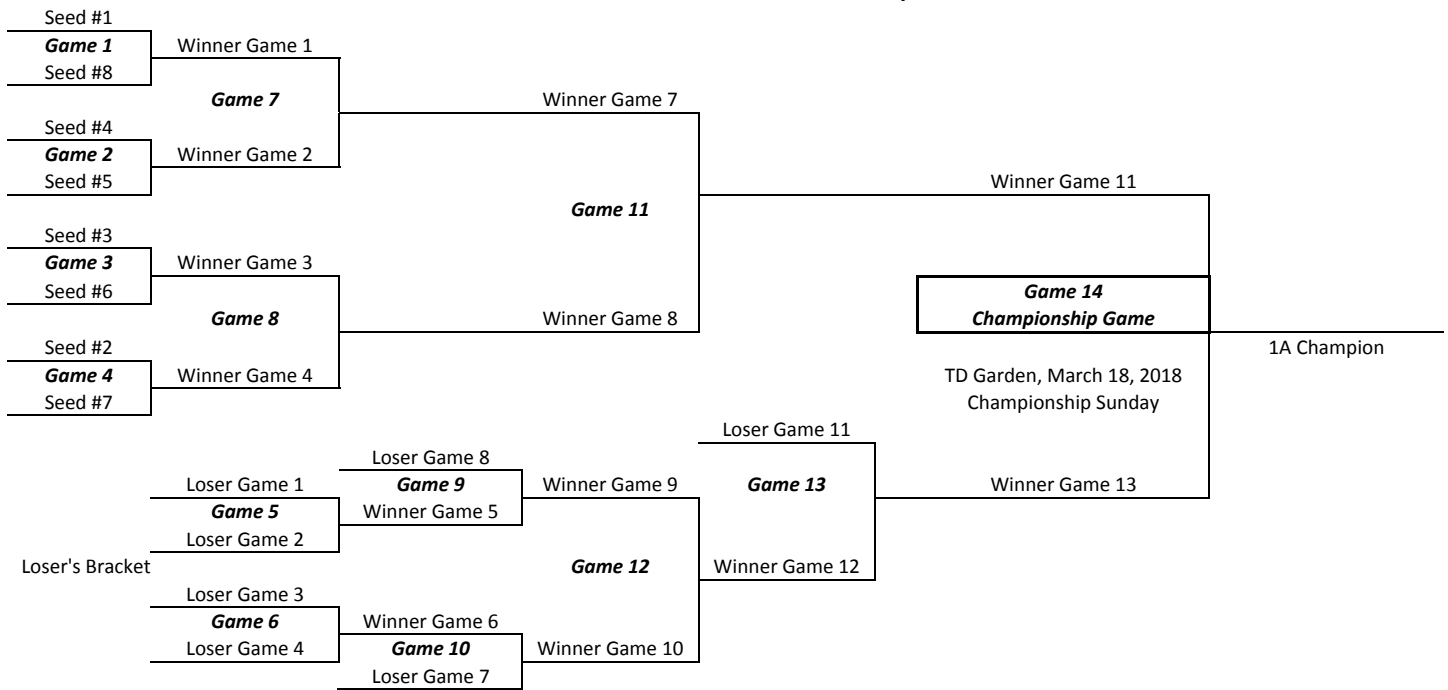

IA Wild Card Preliminary Round: The top six (6) seeds will be power seeded and will draw a bye. The remaining four (4) teams will be (wild card) placed in seed 7, 8, 9 and 10 according to their winning percentage. Seed 7 will play Seed 10 and Seed 8 will play Seed 9.

The winners of the 1A Wild Card Preliminary Round will be placed in the 7th and 8th Seed for First Round play (i.e., in the 1A Wild Card Preliminary Round, Seed 10 beats Seed 7. Seed 10 is placed in Seed 7 for First Round play. The Winner of seed 8 & 9 game goes to seed 8).

The losers of the IA Wild Card Preliminary Round will return to their appropriate tournaments and seeded at the top of their appropriate tournament (example, #1 in the North, #1 in the South, in the event both teams are to be seeded back into the same sectional tournament #1 would be the team with the higher winning percentage. Should the two teams have the same winning percentage there will be a coin flip).

The format for the Division 1A Boys Ice Hockey Tournament for 2018 will include a winners and losers bracket. Two losses will remove a team from the tournament except for the final game between the undefeated bracket winner and the loser's bracket winner. This game, Game 14, will be the Division 1A State Final on March 18, 2018. The winner of this game will be the MIAA Division 1A State Champion.

The Director will manage and assign all girls games beyond the first round.

In the Boys Tournament all Preliminary Round & First Round games will be played at facilities selected by the MIAA State Ice Hockey Committee. Times, sites, and other conditions will be determined by the Committee. Failure to comply with Committee decisions will result in forfeiture. The preliminary and first round games may begin as early as Monday, February 26, 2016 based upon the number of qualifying teams.

General Game Information:

2. Any player or group of players who receives a Game Disqualification penalty shall not be allowed to dress for the remainder of the tournament. 3. In cases involving conflict in jersey colors, the Tournament Director's decision shall be final.
4. In each game there shall be three (3) periods of fifteen (15) minutes, with a ten (10) minute rest period between the playing periods, or as long as it takes to resurface the ice. Teams may go to their locker rooms during these rest periods.
5. Ice will be made between regular periods.
6. Pre-game warm up shall not exceed seven (7) minutes.
7. Home teams are responsible for ten (10) game pucks.
8. Game suspension of a player - the player will immediately leave the ice and report to the school's dressing room. Supervision of this player becomes the immediate responsibility of his/her school. This individual may not return to the bench area, but must at all times be supervised by a school staff member.

9. **DIVISIONAL CLASSIFICATION:** Schools/Leagues are placed into divisions by the MIAA State Ice Hockey Committee.

Overtime Procedure: All divisions, both Boys and Girls, except for the State Final Championship Games

All games ending in ties after three periods of play:

Timeouts cannot be used during the Overtime period(s). (Unused timeouts do not carry over into overtime)

In case of a tie score at the end of the third period there will be a one (1)-minute intermission, ends **will be** changed. Teams will remain in the bench area between the end of the third period and the beginning of the overtime periods. The team that scores first wins, and the game is ended. (NFHS Rule 6, Section 39, Art. 1)

The full overtime period will be broken into **two 6-minute segments**. The **first six (6)-minute segment** will be played as 4-on-4. If an additional segment is necessary, there will be another one (1)-minute intermission before the second six (6)-minute segment. The **second six (6)-minute segment** will be played as 3-on-3. As per NFHS Rule 4, Section 1, Art. 3, "If the penalty time is unexpired at the end of a period (regulation period or overtime period), the penalty carries over into the next regular or overtime period." This includes from the first overtime period to the second.

If tied at the end of both six (6)-minute overtime periods, there will be a shootout to determine the team to move on in Tournament Play.

Shorthanded Guidance – Overtime

- If, when regulation time ends, the teams are 5-on-3, teams will start overtime 5-on-3. Once player strength reaches 5-on-4 or 5-on-5, at the next stoppage of play, player strength is adjusted to 4-on-3 or 4-on-4, as appropriate
- At no time will a team have less than three players on the ice. This may require a fifth skater to be added if a two man advantage occurs.
- If, when regulation ends, the teams are 4-on-4 teams will start overtime 3-on-3.
- If at the end of regulation time teams are 3-on-3, overtime starts 3-on-3. Once player strength reaches 5-on-5 or 5-on-4, at the next stoppage, player strength is adjusted to 4-on-4 or 4-on-3, as appropriate.
- If a team is penalized in overtime, teams play 4-on-3. If both teams are penalized with minor penalties at the same stoppage of play (with no other penalties in effect), teams will play 3-on-3.
- In overtime, if a team is penalized such that a two-man advantage is called for, then the offending team will remain at three (3) skaters while the non-offending team will be permitted a fifth skater. At the first stoppage of play after the two-man advantage is no longer in effect, play will revert to 4-on-4, 4-on-3 or 3-on-3, as appropriate.
- At the end of the first segment (4-on-4) if teams are 5-on-5, teams will start the second overtime 5-on-3. Once player strength reaches 5-on-4 or 5-on-5, at the next stoppage of play, player strength is adjusted to 4-on-3 or 3-on-3, as appropriate.
- If at the end of the first overtime segment (4-on-4) teams are 3-on-3, the second overtime period begins 3-on-3. Once player strength reaches 4-on-4, at the next stoppage, player strength is adjusted to 3-on-3.

Shootout Procedure

In the shootout, the higher seed will have the option of shooting first or second. This will remain in effect for the entire shootout process.

In Round One of the shootout, each coach will submit, in order that the players will shoot, a list of five (5) players who will shoot, alternating in a penalty shot situation. At the end of Round One, the team with the most goals shall be declared the winner of the game. If at the end of Round One, the score is tied, the teams will continue on in the shootout. If at any point in Round One of the shootout, a team is leading by more goals than the opposition has shooters remaining, the shootout is over and the team will be declared the winner.

In Round Two, the coaches will submit, in the order that the players will shoot, a list of five (5) different players than those who participated in Round One. These players will shoot in an alternating penalty shot situation in a sudden victory format. Sudden victory format permits one shot from each team. If, after both teams have made an attempt, one team has scored, the shootout is concluded. If both teams have made an attempt there is no score, the sudden victory format continues. Players cannot make another attempt in the shootout until fifteen (15) shooters on the bench have attempted a shot.

Notes

- Players serving penalty time shall not be eligible for the shootout but can leave the penalty box and remain on the team bench for the duration of the shootout.
- If a goalkeeper is injured in the shootout, the goalkeeper may be immediately replaced by a goalkeeper off the bench. The injured goalkeeper may not re-enter the shootout.
- All players not actively participating in the shootout must remain on their bench.

-
- Goalkeepers may be substituted, but no warm-up time will be allowed.
 - All rules governing a penalty shot shall be in effect.

Overtime Procedure: State Final Championship Game(s) Only:

Timeouts cannot be used during the Overtime period(s). (Unused timeouts do not carry over into overtime)

In case of a tie score at the end of the third period, overtime will be played. There shall be a one-minute intermission, ends shall not be changed, and play shall be continued for not more than twelve minutes. Teams shall remain in the bench area between the end of the third period and the beginning of the overtime period. The team that scores first wins, and the game is ended.

If tied at the end of the twelve minute overtime, teams will return to their locker room as new ice is made. There will be a fifteen minute sudden victory overtime period. If a winner is still not determined, another fifteen minute sudden victory overtime period will be played. The Tournament Director has jurisdiction regarding play thereafter.

Medical Coverage:

As per MIAA Rule 72.3, a game will not start unless "A licensed physician, licensed trainer or certified EMT must be in attendance and on duty for all varsity ice hockey games. (It is strongly recommended that such medical coverage and an emergency transport system be in place for all games.) The medical person shall be responsible for both teams unless each team has its own medical coverage. His/her judgment will be final with regard to the condition of a player after injury. No player may continue to play against the medical person's advice. The penalty for violation of this provision is forfeiture of the game."

Additionally, MIAA Rule 72.3.1 states, "The school designated as the home team, or the host site identified with a participating school, must have an AED on site or with their medical person."

During the ice hockey tournament all MIAA assigned athletic trainers must be located at the bench area or the penalty box.

Game Officials:

Officials will be assigned by the MIAA Ice Hockey Committee and paid in accordance with fees established by the MIAA Game Officials Committee. Tournament qualifying schools are urged to submit names of officials with the MIAA Tournament Application. Officials shall report their arrival to the MIAA Site Director and shall work in games assigned. Officials shall remain on the ice at the end of each period until all players have left the ice. Only MIAA enrolled game officials who worked a minimum of nine (9) MIAA Ice Hockey Interscholastic Athletic Contests will be assigned. Officials are required to wear the NIHOA crest. Game Officials will conduct a pregame meeting in each team's locker room before each Tournament contest.

- For North and South Tournament games, in all divisions: from the sectional semi-finals and beyond, 3 game officials will be assigned
- For the Division 1A, CMASS and WMASS Tournament, 3 game officials will be assigned in every game
- For ALL State Tournament Games, 3 game officials will be assigned
- For all Girls tournament games, in both divisions, 3 game officials will be assigned for the state semi final and final game, 2 officials will be assigned for all other games.

Crowd Control:

Players must avoid unsportsmanlike gestures or language such as banging sticks on dasher, "dancing", or taunting which is inconsistent with good sportsmanship.

The MIAA announcement on "good sportsmanship" must be read over the public address system prior to each game. The MIAA Taunting Policy will be in effect for spectators as well as players and coaches. A sportsmanship announcement near the ending of a game accompanied by the end of game protocol will be expected at all ice hockey contests.

Spectators may not bring cans or bottles of beverages to game arena. Liquor must not be brought onto the premises of the arena in which the game is being played. (Ch. 314, Acts of 1973)

Banners and signs are banned from the premises. Their display will result in halting of the game for removal. Spectators with musical instruments, noisemakers, whistles, etc., will not be admitted to the game.

Cheerleaders of participating schools will be admitted free provided that they are in uniform, enter as a group, and are accompanied by a faculty advisor. No megaphones, whistles, thunder sticks, banners, or other noisemakers are allowed. No mascots and/or cheerleaders are to be on the bench or the ice surface at any time.

Coaches:

Competing teams will be admitted to their scheduled games with their coaches at the respective pass gate.

Each squad will be limited to a maximum of twenty-two (at least two of whom must be goalkeepers) players. "Only players in uniform, four other team personnel and a licensed athletic trainer shall be permitted to occupy the team bench area". Violation will result in a minor penalty, (interpretation) Rule 2, National Federation Ice Hockey Rules.

Coaches must remember that their influence will be reflected in the actions of players, students, and spectators; i.e., coaches contribute to good crowd control.

Coaches must remain on the bench during the progress of the game, accept the decision of officials without showing emotion, and keep players together in entering and leaving the playing area. Displeasure with officiating should be manifested in a written complaint to the MIAA Tournament Director. Avoid all public displays of criticism, in front of players, spectators and the media.

Coaches should caution their teams against gloating over opponents after winning.

End of Period / End of Game Rule:

At the conclusion of a period, no player, coach or other bench personnel shall leave the team bench or penalty bench without permission of the game official. A **MINOR PENALTY** will be assessed to each person who does not comply. If the violation continues, a **MISCONDUCT** will be assessed. If the violation continues beyond that point a **GAME MISCONDUCT** will be assessed.

At the conclusion of the game, players (excluding goalkeepers) shall, upon verbal signal from the game official, skate immediately to their respective team bench areas. Goalkeepers shall remain in their privileged areas. No player, coach or other bench personnel shall leave the team bench or penalty bench without permission of the game official. A **MINOR PENALTY** will be assessed each player who does not comply. If the violation continues, a **MISCONDUCT** will be assessed. If violation of this requirement continues, a **GAME MISCONDUCT** will be assessed.

Victory Celebration Policy:

No gloves and helmets at the conclusion of the game may be removed. In addition, piling on is prohibited. Game Officials may call a game disqualification for any violating player.

Awards:

School awards and player medals will be presented, consistent with established MIAA policy. The winning school and runner-up in each division will receive an official MIAA plaque appropriately inscribed. MIAA medals will be awarded to members of all teams who participate in the Ice Hockey Sectional and State Championships. Principals and athletic directors will participate in the on-ice award ceremony.
