The MIAA Endowment Fund was established in 2013. The Endowment Fund supports student-athlete participation in Educational Athletics programs that distinguish athletic competitions from life-long learning opportunities.

Through your support, funds raised will provide financial assistance to student-athletes throughout the state, giving them the opportunity to take part in programs such as:

New England Student Leadership Conference

Girls and Women Leadership Initiatives

Sportsmanship Summit

The Camp Edwards Captains Challenge

Citizenship Day

Wellness Summit

As well as, various leadership and wellness workshops throughout the year

The goal of this fund is to preserve and create educational opportunities for student-athletes statewide. The Endowment fund aids in maintaining quality services under the umbrella of the five education based athletic "Pillars": Coaches Education, Community Service, Leadership, Sportsmanship and Wellness.

Contributions will be invested and managed by the Investment Committee. The MIAA Board of Directors will approve the allocation of funds for the upcoming fiscal year annually at its April/May meeting.

On behalf of the MIAA, the Board of Directors, and our member schools we hope you will join our team. The net proceeds from this event will be allocated to the MIAA Endowment Fund 501(3)(c).
