- A. All Tournament Matches will be played on a field size of a minimum of 55 yards wide and 100 yards long at the Sectional Semi-Finals and Finals as well as the State Semi-Finals and Finals.
- B. Home site fields of the higher seeded team will be used throughout the tournament, until the State Finals, if conditions are suitable. **If not suitable, the higher seed has the option of securing an alternate suitable site. If unable to do so, the lower seeded team will host the contest.**
- C. **The State Finals are intended to be played at a neutral site. However, when a single site has been established and the member school is a participant, it will be played at their home site.**
- D. It is recommended that all fields for tournament play have a minimum of 5 yards of surface parallel to the touch lines.

## 8. GAME BALLS

The Rugby ball must be a size 5 match ball.

## 9. STARTING TIME

All tournament games on school days will begin no earlier than 2:30 p.m. and no later than 6:30pm. All times will be set by the Tournament Director.

## 10. POSTPONEMENT OF GAMES

Only the Tournament Director may decide to postpone a game. Postponed games are to be played the following day on the same field, if possible.

## 11. REGULATION PLAYING TIME

The time of the game will be two (2) 35-minute halves. There will be no stop time unless indicated by the officials. Half-time will be 5 minutes. Official time is kept on the field by the referee. *Teams will be allowed on the field thirty (30) minutes prior to game time.*

## 12. TIE BREAKING METHOD

- A. When the score is tied at the end of regulation time, the referee will instruct both teams to return to their respective team boxes. There will be a five-minute rest period where teams may confer with their coaches; and the head referee will instruct both teams as to the proper procedure.
- B. Procedure
1. One (1) ten-minute (10) overtime period will be played, which may end in sudden victory (first to score). Possession is to be determined by a coin flip. If the score remains tied after the overtime period, there will be a five-minute rest period and the game will go into kicks.
  2. Order of kicks will be determined by a coin flip and **all kicks must be drop kicks**. Three (3) kickers representing each team would kick from the 22-meter line (25 yards). **The kickers would have to be on the field at the time of the final whistle.** *Note: The drop kicks are to be 25 yards from the field goal post, thus if game is played on a football field, drop kicks should take place from the 15 yard line.*
  3. Teams would alternate kicks until all six kickers (3 per team) had an opportunity. The winner would be the team that had converted the most kicks
  4. If after three (3) kickers, per team, the tie is not broken, the three would kick again from 5 meters back (5 yards). If all players miss, the distance is not changed.
  5. Teams would then alternate kicks until a winner is found. So team A makes first kick, team B misses first kick, team A wins.
  6. Any player who is disqualified, may not participate any further.

---

### 13. SPORTSMANSHIP RULES

All athletes serving game suspension(s) as a result of infractions during the regular season will have the remainder of their suspension continued into Tournament play. ***Any player disqualified during tournament play, is to remain on the team bench under the direct supervision of the coach.***

### 14. MEDICAL COVERAGE

A licensed physician, licensed trainer or certified EMT must be in attendance and on duty for all interscholastic rugby games. The medical person shall be responsible for both teams unless the visiting team has its own medical coverage. His/her judgment will be final with regard to the condition of a player after injury. No player may continue to play against the medical person's advice. The penalty for violation of this provision is forfeiture of the game.
