ALERT: IMPORTANT ENTRY INFORMATION

It is the athletic director and/or coaches' responsibility to correctly submit all tournament entries. Tournament directors will make courtesy calls identifying errors whenever possible. However, this in NO WAY places the responsibility for the entry correctness with the tournament director. If there is an undetected error, the Athletic Director/Coach will accept the responsibility, even if the error means athlete(s) is/are ineligible to compete in the championship meet.

Electronic entry via the Direct Athletics website certifies that you **have read and agree** to the following: We have read, understand, and will abide by the MIAA Handbook as well as the rules for Indoor Track. Further, we have received and read the entire Indoor Track Format and agree to abide by all the requirements contained therein. We alone are responsible for Schedule/Rule violations and we realize that rule violations will result in Tournament Disqualification.

Your entry must be posted on the Direct Athletics website by Monday, February 12, 2018 at 12:00 noon. Failure to post this entry on time will result in a late fee of \$300 per athlete per event (see page 2 of format for Late Entry Information). **All changes if made, must be submitted to the Tournament Director and must be completed by NOON on Tuesday, February 13th.**

Entry Process: Entries done on Direct Athletics Website: www.directathletics.com

1 – Schools are allowed to enter athletes who qualify on Direct Athletics as soon as they like. Changes are allowed up to the Entry Deadline of noon on Monday, February 12th. Our goal is to have full fields in all events.

- When entering, coaches will need to list performance & where & when from current Indoor season.
- If an athlete has met the Qualifying Standard posted in this format, that athlete has qualified –automatically will compete if entered.
- If the field is not filled in an event, the tournament director will fill the field up to 24 in field events, 24 in relays and 32 in running events. **Coaches should enter all athletes who have legitimate chance for acceptance in top 32 or 24.**
- For example: Girls 300 –if only 10 are entered and have met the Qualifying Standard -Tournament will take next 22 entered on www.directathletics.com

Conflict: How do coaches know if their athlete will make it in or not?

- All entries are visible on www.directathletics.com for each meet. Provided all entries are verified. Those athletes will be selected.

Limits: Each athlete may be only entered in three individual events plus relays. Prior to the start of the meet-athletes must be declared for the meet including the relays (3 max).

2 - Each school must have a username/password for Cross Country and Indoor/Outdoor Track & Field. Schools have the option for setting up for 2 accounts or separate XC and Indoor/Outdoor Track & Field. Schools have the option of setting up one account for all three seasons, or two separate accounts for each season. Athletic Directors with input from their coaches should make this decision. If you already have a Direct Athletics account for your team/school, you do not need to create a new one. **When entering a performance with a hand time - need to put an "h" after time. Example: 55m hand time of 8.1, enter 8.1h; 1000m hand time of 2:42.9, enter 2:42.9h**

3 – Contact information: The coach must be listed as the contact. Each tournament director will have access to this information. Please do not list the school Athletic Assistant or Secretary, as this will delay the process when an issue arises or last minute information is needed. Information should include current e-mail and phone number(s), the number should be accessible beyond school hours, since most meets occur on weekends.

4 – Rosters need to be updated as the season goes along, this will make the entry process go smoother at the deadline time.

5 – Once your entries are completed you must print out a copy of your entries and check for accuracy. You can make updates and be able to edit changes up to the deadline. After the deadline there is still the MIAA late entry fee process that is listed in this MIAA Indoor Track Format (\$300/athlete/event). Entry deadline is Monday, February 12, 2018 by noon.

6 – Indoor Track – every individual will be entered with seed performance; and each relay team will be allowed to enter up to 8 names, listing the first 4 in order and then list the 4 alternates.

7 – When entering athletes keep these rules in mind:

I. **PARTICIPATION RULE**

An athlete may participate in a maximum of three (3) events. **Will follow NFHS Rule 4.2.2: If a contestant is entered in more than the allowable number of events, Meet Management shall scratch the contestant from the excess events by following the listed order of events.**

ENTRY LIMITATIONS – Individual Events

An athlete may be entered in no more than 3 individual events.

ENTRY LIMITATIONS – Relays

Any athlete may be entered in a relay. However, an athlete's **PARTICIPATION** in a relay event is subject to the Participation Rule above.

Example: **Joe Jones entered in: 1 Mile, 2 Mile, 100 meter, 4x100, 4x400 and 4x800 – If Joe is to run any relay, the coach would have to scratch Joe from either the 1 mile, 2 mile, or 100m prior to the first running event. If Joe scratches from one of his individual events, he can run one relay; from two individual events, he can run 2 relays. Scratched from all individual events, he can run in 3 relays.**

II. **SCRATCHES**

All Field event scratches must be made on the declaration sheet and with the event official (at the event) before the event begins.

All running event scratches must be made at check in.

ADDING ATHLETES:

ADDING OR CORRECTING EVENTS; CHANGING PERFORMANCES:

Late Entries: Any corrections (on time/distance) or omissions (additional entries) must be accompanied with PO# (or check to MIAA) for \$300 per athlete per event and made with the Tournament Director. All corrections must be completed by 12:00 noon on Tuesday, Feb. 13th. **No changes will be allowed on the switching of events for any athlete. If there is a change to a performance the new performance must have been attained by the cut-off date.**

**** IMPORTANT INFORMATION ****

CERTIFICATION PROCEDURES & CONFIRMATION OF ENTRIES

- Check-in at MIAA Indoor Divisional & All-State Meets: Coach will walk in to the gym and be given his/her declaration sheet and will at that time, scratch any athlete who is not competing in an event and will turn it back in to the check-in official. [Emergency Contact Form must be turned in.](#) Coach will then be given the packet.
- Individual athletes must be bona fide members of your high school team as recognized by the MIAA and must achieve the qualifying standards as published in this format.

The Jury of appeals then will have the final authority. In order to have an appeal processed, a coach must submit the appeal in writing to the referee within thirty (30) minutes after the announcement of event results.

L. Jury of Appeals: Will be composed of three (3) officials and two (2) coaches.

M. For all Coaches to know & understand: Hearing impaired athletes who are entered in any running event, CANNOT be in the outside lane in case of a false start. These athletes need to see others in the race stop since they are unable to hear a second gun fired. Hearing impaired athletes will be using a light connected to the starter's gun that will allow them an even start.

N. Process for determining Qualifying Standards – Tournament Director takes the top 32 for running events and the top 24 for field events and relays. - b. An athlete is declared if he or she is entered in an event and has NOT been scratched when the first event of the meet begins.
- c. Participation is defined as beginning the athletic challenge of the event.
 - i. For a field event, participation means attempting at least one trial. An unsuccessful trial or a foul meets this requirement.
 - ii. For a running event, participation means beginning the event and making an effort to complete it. An athlete who begins the event but is disqualified from the event meets the participation requirement.
- d. For events with multiple rounds, a declared athlete must participate in all rounds for which he or she has qualified.
- e. For combined events, the athlete must participate in at least the first event of the combined event competition.
- f. Relay events are not covered under this rule. If a school does not participate in a relay, that shall not affect the participation status of any individual athlete entered in that relay.
- g. The referee will be the final authority on all applications of this rule. The referee has the authority to waive application of this rule if circumstances beyond the competitor's control including, but not limited to, medical conditions have prevented the athlete's participation. A coach who wishes this rule waived must apply in a timely manner to the referee for a waiver.

The eligibility criteria are drawn from the World Para Athletics rules.

MIAA CHAMPIONSHIP COMPETITION

- Eligible and qualified student-athletes may compete in the Para ambulatory 55m dash, the Para Ambulatory or Blind/VI 1000m races, and/or the Shot Put at the 2018 MIAA Indoor Track & Field Divisional and All-State Championships. There are no wheelchair races contested indoors in Para track & field.

In 2018, athletes will advance to the All-State meet if they post a result in the Divisional meet or at the discretion of the MIAA. Para Track & Field results will not count towards team scores.

2018 Divisional Meet Qualification Standards (All divisions)

PARA Event	GIRLS			BOYS		
	Blind/VI	Para-Amb	WC/Seated	Blind/VI	Para-Amb	WC/Seated

**Schools may request that an athlete competing in one or more of the Para track & field events be entered in one additional event that does not have Para track & field category competition. MIAA will grant this request based on the athlete's performances in that event during the current season and meet management considerations. Participation in these events will be on an exhibition basis and no awards will be presented. Requests must be made to MIAA in writing by Monday, February 5th.

 - i. Amputation through the ankle, or another orthopedic/neuromuscular impairment resulting in a similar loss of running-related function.
 - ii. Amputation through the wrist of one (sprints only) or both arms; amputation of one/both arms through the elbow; limb deficiency/paralysis of one/both arms.

- b. Para track & field accommodations – *Running*: Athletes may choose to start out of blocks or may not be able to place hands on ground; *Throwing*: Some sport class groups will use lighter implements based on World Para Athletics rules.
- c. Competition Format – Athletes are included in the most appropriate heats or flights based on the actual seed times/marks of each individual.

3. **WHEELCHAIR/SEATED**

 - i. Spinal Cord Injury, Spina Bifida, or other neuromuscular impairment resulting in loss of function in the lower extremities such that running is impractical.

 - iii. Cerebral Palsy, Traumatic Brain Injury or Stroke - must have diagnosis of CP or other non-progressive brain damage with locomotor dysfunction such that running is impractical.
- b. Para track & field accommodations – *Throwing* – the throwing chair has maximum height and other specifications; some sport classes use lighter implements according to World Para Athletics rules; a coach may assist the athlete getting to and setting up in the circle, and departing the circle at the conclusion of the attempts.
- c. Competition Format – *Throwing*: seated athletes can be placed at the front of an appropriate flight; if using a throwing chair, athletes make all six attempts consecutively, except at Divisional and All-State meets where they make 3 plus 3.

ALL-STATE MEET QUALIFIERS

There will not be any individual notification made for athletes who have qualified to compete in the MIAA All-State Meet. The Performance List of All-State Meet qualifiers will be posted on the MIAA website (www.miaa.net) on the day after the last Divisional Championship. Coaches and athletes should check this list to see who the qualifiers are. If an athlete has qualified to compete in the MIAA All-State Meet there are no other entry requirements, simply come to the meet.

THE SCHOOLS SCORING THE MOST POINTS WILL BE THE 2018 STATE INDOOR TRACK CHAMPIONS (BOYS' AND GIRLS'). SCORING WILL BE 10-8-6-5-4-3-2-1.

TEAMS ARE REQUESTED TO COME DRESSED, DUE TO LACK OF DRESSING FACILITIES.

JURY OF APPEALS: WILL BE COMPOSED OF THREE OFFICIALS AND TWO COACHES.

Note:

Starting with the 2017-18 season, the process for qualifying for the New England's for Indoor Track will be as follows: Schools via Direct Athletics will be allowed to enter up to 2 entries for individual events and then would take the top 6 on Monday after the All-State Meet. Advantage for this: NE would then have 6 for each event from MA; would not need to have athletes declare at All-State; and athletes who may have had a bad day at the All-States or Divisional would get another chance. Agreed that a committee will do the final selecting.

NEW ENGLAND MEET ENTRY PROCEDURE:

Massachusetts is granted six entries in each event for the New England Championships. The MIAA will choose the athletes to be entered in 2018 according to the following procedure. Please read the instructions carefully and follow all required steps!

- 1. If you coach an athlete you wish to have considered as one of the Massachusetts entries to the New England's, you MUST enter that athlete in the "New England Interscholastic Championship Meet" on Direct Athletics. There are NO exceptions. No athletes will automatically advance to the New England Meet.***
- 2. You may enter an athlete in up to 3 individual events. The participation rule is the same as the rule for the MIAA Meets, which is "any 3 events." You may also enter relay teams in any relay events.***
- 3. The deadline for entries will be 6PM on Sunday, February 25, 2018.***
- 4. Entry times or distances from the 2017-18 indoor season must be submitted. These performances must have been achieved at the MIAA championship, sanctioned invitational or league championship meets with***

at least 6 participating teams and fully automatic timing. The date and location of all qualifying performances must be entered, and will be checked by the selection committee.

5. The selection criteria are as follows:
 - a. First preference will be given to athletes who place in the top 6 at the MIAA Indoor All-State Meet.
 - b. If fewer than 6 of the entered athletes meet the first preference, additional athletes will be added until the event is filled. These additional athletes will be chosen by best validated entry performances.
 - c. If a tie exists for the 6th and final entrant, the following additional preferences will be used to break the tie:
 - i. First preference is given to an athlete who achieves his/her performance in the MIAA Indoor All-State Meet.
 - ii. Second preference is given to an athlete who achieves his/her performance in an MIAA Indoor Divisional Meet.
 - iii. Third preference will be given to an athlete who achieves his/her performance on a date closest to the date of the New England Championships.
6. The list of accepted athletes will be posted on miaa.net by noon on Monday, February 26, 2018.

The Sixteenth Annual Joan Doherty Sportsmanship Award For Girls' Indoor Track

The Annual Joan Doherty Team Sportsmanship Award is co-sponsored by the Massachusetts Interscholastic Athletic Association and the Massachusetts State Track Coaches Association.

This award is to be presented to girls' indoor track teams that exemplify the qualities of sportsmanship during this season and are active in community service.

This award is named after Joan Doherty who is a true pioneer in the area of girls track in the state of Massachusetts. She was one of the first women to coach track in a high school in Mass. She also coached one of the first girl's track teams in the state. Her teams were known for their great records but they also were known for their sportsmanship. Joan insisted that sportsmanship was a big part of the sport of track and field. She also showed her team by example how important it was to give back to your community when she stayed hours after practice to prep the track for an upcoming meet. She was active then and remains very active in the area of track and field with volunteering at developmental track meets in her area. She is a great role model for our female track athletes and remains a living example for all of us to follow.

Following is the nomination form. Please fill it out and mail it to the address provided for a team to be considered. Please help by promoting this prestigious award and pass the nomination form to any MIAA High School girl's indoor track coaches.

Applications must be received by February 2, 2018.
