3. The Girls' Winter State Tournament will include qualifiers from all districts, who qualified during the Winter Season only.
4. A two divisional format will be used at the boys' and girls' state championship meets.

For divisional alignments refer to the MIAA website at www.miaa.net

B. DIRECT ATHLETICS ENTRY INFORMATION

1. All Sectional and State Championship qualifying entries will be entered on-line via Direct Athletics.

C. ADAPTIVE SPORTS

1. The following events will be available to our adaptive athletes:
 - a. 50 yard Freestyle
 - b. 100 yard Freestyle
 - c. 100 yard Breaststroke
2. Adaptive events at MIAA tournaments are recognized for MIAA Individual Championships but not scored for team rankings. Minimum qualification standards are established for adaptive events.
3. Student-athletes eligible for adaptive events shall be those who have an enduring visual or orthopedic impairment of the type and severity that they would be eligible for a Paralympic Sport Class in the relevant sport. MIAA and Adaptive Sports New England will collaborate to provide at least one opportunity during the regular season for student athletes to be assessed for eligibility. Adaptive Sports New England can consult with U.S. Paralympic to provide students, coaches and athletic directors an estimate on eligibility upon request.
4. MIAA encourages schools, leagues and affiliates conducting regular season competitions to offer the adaptive events being offered at the MIAA Tournaments.
5. MIAA will connect member schools with Paralympics Sport Club Boston (a program of Adaptive Sports New England) and other Paralympic Sport Clubs in Massachusetts to support student-athletes, coaches, and athletic directors with the technical assistance necessary for successful educational athletics experiences.
6. Point of contact at Adaptive Sports New England: Joe Walsh, 617-690-9103.

D. QUALIFYING CRITERIA - TEAM MEMBERS

1. Individuals must be bona-fide members of their high school swim team as recognized by the MIAA and must achieve qualifying standards, in the current season, as published in this format.
2. Qualifying times must be obtained from swimming/diving in a bona fide MIAA High School Swim Meet officiated by certified swimming officials.
3. Relay teams must have met the listed qualifying time in the Swim Format during the regular season. **Relay times must be achieved by all members of the same gender to qualify for the appropriate post season championship meet. Teams can only enter one relay team at the sectional and state tournaments.**
4. The coach or official school representative must be able to verify the swimmer or diver's time or standard **at the meet.**
 - a. Any times that do not meet minimum qualifying times will be challenged by the meet director.
 - b. Other times can be challenged throughout the meet.
 - c. Any swimmer or diver found not to have met submitted standards shall be disqualified from the meet, including any prior performances during the meet.
 - d. Coaches must be able to verify times from sanctioned MIAA Meet Results.
5. Divers
 - a. A diver during the regular season must have scored **5 points or higher** from each judge (in a dual meet & the 3 scoring judges if a panel of 5 or more judges are employed) on each dive in order to qualify it for tournament entry.
 - b. The dive as qualified in season will be the only dive accepted (i.e., 1 ½ tuck ≠ 1 ½ pike).

-
- c. No diver may perform a dive in the Sectional or State tournament that has not been performed and qualified during the regular season
 - d. An official diving sheet must be submitted for each diver and committed with the official entry by the deadline. Divers will be allowed to change dives up to 1 hour before the start of each session containing diving.
 - e. At the sectional & state meets divers will be seeded **initially** by lot. **After the completion of the semi final round (8 dives), the finalists will be reseeded with the lowest scoring contestant performing first through the highest scorer diving last over the final 3 rounds.** (NFHS 9-2-2)
 - f. *The MIAA Swimming and Diving Committee has authorized the modification of NFHS Diving Rule 9-4-1d due to facility constraints and associated meet timelines. When more than twenty four contestants have qualified for the 1 meter event, the field will be reduced to 24 divers after the completion of three rounds. With the field thus reduced, the remaining two dives of the preliminaries are performed, followed by the semifinal and final rounds. To allow for the appropriate placement of dives in a contestant's program, the Meet Director will notify the coaches of the participating divers at least 24 hours in advance of the meet.*
6. A violation of qualifying criteria may involve a hearing before the swim committee.

E. ADULT REPRESENTATION

1. *The coach or official school representative (as designated by the principal in writing on the entry blank) must remain at the championship site throughout the meet or the swimmer/diver will not be accepted by tournament directors for warm-up sessions or to compete in the meet.*
2. Last minute changes must be verified in writing by the principal before the swimmer/diver is allowed to compete or warm-up.

F. OFFICIALS

Officials in Sectional or State meets must be enrolled with the MIAA.

G. MEET RULES

2017 – 2018 National Federation Swimming Rules shall be the official rules for championship meets.

H. TEAM ROSTER

Team rosters shall include only those swimmers and divers who have met qualifying standards, plus one (1) manager and all LEGITIMATE SCHOOL coaches. The names of the approved school coaches and manager must be emailed to the appropriate Tournament Director. No ancillary staff (i.e. team photographers, masseuses etc) will be allowed on deck. Relay only swimmers must also be listed on the team roster. **Only the individuals listed on the entry and approved by the school's athletic director will be allowed on the pool deck.** All others will be subject to the admission fees.

I. TICKET INFORMATION

Tickets for the Sectional (MIT) and State Championship (BU) Meets will have to be allocated. Allocation procedures will be emailed to all MIAA Winter Swim Athletic Directors in early January 2018.

J. REQUIRED SCHOOL TIMERS

Teams will be notified in advance by the Meet Director as to the number of timers with watches that they will be required to provide. This is essential for the proper operation of the swimming meet. Please be sure that timers from your team are in the appropriate lanes at the designated times.

K. ATTENTION

Coolers, hand held signs, shakers, balloons, and noisemakers of any kind are not allowed at tournament sites. School banners, approved by the Tournament Director, will be allowed but must be hung where directed to do so by tournament personnel. Also, please note, neither folding chairs nor saving of seats will be permitted in the balcony areas of post season competition sites.

L. RESPONSIBILITY OF PARTICIPATING SCHOOLS

All schools are responsible before, during and after a contest for the proper conduct of their coaches, athletes and spectators and, when requested, a school must complete a report regarding the contest in which a problem occurred.

M. SHAVING

There will be absolutely no shaving permitted at any tournament site per NFHS 3-6-9.

N. MEDICAL COVERAGE

A licensed athletic trainer, physician, physician's assistant, certified EMT, or nurse practitioner will be available at all contests.

O. [When there is the possibility of a conflict with SAT/SAT Subject Tests:](#)

- Please tell all coaches & student-athletes in advance so alternative plans may be made. A listing of all dates and sports that may take place on scheduled College Board exam dates can be found on the MIAA website.
- The **College Board** offers a *SAT® Program Alternate Test Date Policy*. As stated in their published material:
 - “The SAT Program will consider granting an alternate test date when the following criteria are met:
 1. The conflicting event must be unexpected. Regularly scheduled sporting events or previously scheduled school activities, such as a prom, are not considered unexpected. An event such as an academic or athletic competition, in which students have advanced through the competition or into post-regular season competition, can be considered an unexpected event.
- **SAT School Day:** Allows high schools to administer the SAT to students during the school day, thus avoiding weekend athletic conflicts. To date, the MA school districts that participate are Plymouth, Springfield, Revere, and Fitchburg. SAT School Day is contracted through the College Board with participating districts.

P. INCLEMENT WEATHER

In the event of a potential weather postponement/cancelation, a timely decision will be made. [Please click here for Postponement or Cancelation of Tournament Championship Meets Policy.](#)
