**GENERAL TOURNAMENT POLICIES
FOR
MIAA SPONSORED SPORTS**

***ATHLETIC DIRECTORS - PLEASE SHARE A COPY OF THIS WITH EACH COACH.
(The information included herein applies to every Spring Sport).**

I. **Administrators**

Upon arrival at an MIAA tournament event a school administrator or designee other than the participating coaches, are expected to seek out and meet the MIAA site manager. Please indicate where you will be sitting during the contest.

II. **Artificial Noisemakers, etc.**

Horns, posters, noisemakers, confetti, pompoms, balloons, and banners are not to be permitted at any site. If the site manager feels that something not mentioned above is also creating a nuisance at a contest site, the site manager should have such items removed.

The MIAA Sportsmanship Committee has voted to permit bands to be present and to play at MIAA Fall, Winter and Spring Tournaments. However, the following restrictions are part of this action.

- A. A maximum of 12 is permitted. An advisor must be in attendance and sit with the band.
- B. Permission in advance must be granted by the Tournament Director and Site Director.
- C. Pep bands are not permitted to play while the game is in play.

III. **Athlete and Coach Disqualification**

The MIAA site manager is responsible for having the MIAA student contest suspension forms and the coach contest exclusion forms available for contest officials. The official(s) shall complete the form before leaving the site of the contest and give it to the site manager, who sends copies to the following:

- A. Principal of each school
- B. Athletic Director of each school
- C. Executive Director of the MIAA

IV. **Awards**

- A. Only MIAA awards will be presented at an MIAA tournament.
- B. Participating teams, coaches, and athletes are expected to participate in the concluding awards ceremony at each Sectional and State Final. The award ceremony is to be a major focus of the event, affording competing teams maximum respect.

V. **GAME EXCLUSION NOTICE: MUST BE RECEIVED PRIOR TO THE FIRST ALLOWABLE CONTEST DATE.**

To enable the schools listed on the Game Exclusion Notice form to fill their schedules, the MIAA allows other member schools to schedule contests with *Barnstable, Boston College High, Bridgewater-Raynham, Brockton, Catholic Memorial, Durfee, Fontbonne, Malden Catholic, Marshfield, Martha's Vineyard, Nantucket, Nauset, New Bedford, Notre Dame (Hingham), Provincetown, St. John's Prep (D), Taunton, Ursuline, and Xaverian with the option of choosing not to include these contests toward tournament qualification and seeding under the following parameters.*

- A. Member schools may exceed the maximum number of contests allowed in a given sport by up to two (2) in the twice around sports, if necessary to schedule the above schools.

-
- B. By filing a "Game Exclusion Notice" with the MIAA prior to the first allowable contest date, a school may designate those games as not counting toward tournament qualification and seeding.
- C. These contests will count for the 19 schools listed, and therefore must be included on the "Season Schedule and Commitment Form" submitted to the Tournament Director by **April 15th**. *Schools must check the box if games **WILL NOT** count toward tournament qualification.*

VI. **Controlled Substance**

Alcoholic beverages and other controlled substances, including any tobacco product, will not be permitted by a participant, coach, game official, or spectator at any game site.

If there are any alcoholic beverages or any other controlled substances, including any tobacco product, in the locker room, at the playing site, bench area or team bus, that school will be suspended from further tournament participation and the school will be subject to suspension from MIAA tournament participation in that sport the following school year. This policy includes coaches and game officials.

VII. **Facial/Body Paint**

Athletic participants may wear only sun glare black under their eyes.

VIII. **Reminder about Amateurism**

According to the MIAA Rule 47 (Amateurism), a student forfeits amateur status when he/she receives any award or prize of monetary value which has not been approved by the MIAA or when he/she capitalizes on athletic fame by receiving money or gifts of monetary value. Only awards of no intrinsic value and approved by MIAA may be accepted by a high school student-athlete. Athletic shoe or clothing companies have programs directed at top high school athletes or teams which would have students receive free or discounted items. Accepting such items will place an athlete's amateur status at risk.

IX. **Reporting Results**

Results must be reported immediately to determine next round pairings, location, and starting time. **The winning coach must report the score within 30 minutes after the conclusion of the contest to the Tournament Director.**

X. **College Board Examinations**

There shall be no postponements of games because of conflict with College Board Examinations. Schools that feel they have a chance of making the play-offs should encourage their students to take the examination on a date that will not conflict with tournament play. Please note: Testing dates can be found on the College Board website: <http://www.collegeboard.com>

XI. **Schedule Manipulation**

In the event a school must cancel a contest, the principal of that school must notify the Tournament Director in writing with the reason(s) for that cancellation. Notification must be made prior to the cut-off date.

Postponed contests should immediately be rescheduled for the very first available date on which neither team is scheduled to compete.

Failure to notify the Tournament Director could result in that game or games being counted as a loss on both schedules. If the cancellation of that game occurs on the cut-off date, the notification may be made by telephone.

XII. **Seeding**

- A. Seeding is to be done by a committee which is limited to the director who is a non-voting member of the seeding committee, voting members of the MIAA Standing Committee for that sport, and may also include as voting members, district athletic committee members from the tournament district(s). At least one coach should be present as an observer.
- B. **GENERAL RULES: See "Sport Specific" regulations in specific tournament formats.**
Ties will be resolved by lottery or coin flip.
- C. MIAA Sport Committee may vote to use a form of the Walker Statistical Instrument as a basis for seeding teams in the tournament.

XIII. **Site Information**

- A. For all games leading up to neutral sites, the "Home" team is responsible for all site costs, including officials. Officials' fees for tournament contests differ from regular season fees. Please be sure the correct amount is paid.
- B. Host schools will be required to conform to the financial expense limits as approved by the MIAA Tournament Director. If these issues cannot be resolved and the home team does not find an acceptable alternate site, the Tournament Director will assign a facility, which could be the opponent's site.
- C. ALL SCHOOLS INVOLVED IN THE TOURNAMENT MUST PLAY AT THE SITE, ON THE DATE, AND AT THE TIME SET BY THE TOURNAMENT DIRECTOR. The Tournament Director shall have the prerogative to set or change the site or date of any tournament contest.
