

Game Administrator

Section 5. It is strongly recommended that the host team assign a representative to handle game management issues. When a contest is played at a neutral site, one team must be designated as the home team. The game administrator will ensure that a time keeper and scorer are on hand with all equipment required by these rules to carry out their respective functions, and that the playing field is in proper condition for safe play and meets the specifications outlined in these rules. In the event that an administrator is unavailable these duties will be the responsibility of the home team coach.
