

Massachusetts STUDENT-Athlete Citizenship Awards Ceremony

*For schools in Districts A, B, C, D, E and H
April 13, 2010*

Dear Principals and Athletic Directors,

On behalf of Northeastern University's Center for the Study of Sport in Society and the Massachusetts Interscholastic Athletic Association it is our pleasure to invite you to select four top student-athletes to attend the Fourteenth Annual Massachusetts Student-Athlete Citizenship Awards Ceremony.

This awards ceremony and program are designed to recognize Massachusetts high school student-athletes who have demonstrated excellence in three disciplines: academics, athletics and citizenship. The ceremony will be held on Tuesday, April 13, from 8:30 AM - 12:00 PM in the Curry Student Center Ballroom at Northeastern University.

The theme of this year's event is **"Future Leaders: Setting a Positive Example."** [Click here](http://www.miaa.net/msad-boston-nomination.pdf) (<http://www.miaa.net/msad-boston-nomination.pdf>) for a nomination form to select the four most deserving student-athletes from your school (two male, two female) that you feel merit this recognition and have participated in community service. As part of your selection process, we ask that you choose one faculty member, coach, or parent representative who would be willing to provide transportation and accompany the students.

We are also looking for student-athletes to participate on a panel regarding the theme of this event. Students who are selected as panelists will be asked to participate in a question and answer session with the master of ceremonies and the audience. Selected panelists will be notified by the Sport in Society staff as soon as possible. If you would like to nominate a student-athlete to serve on this panel, please [click here](http://www.miaa.net/msad-boston-panelist.pdf) (<http://www.miaa.net/msad-boston-panelist.pdf>) for the "Request for Student Panel Speakers" and submit it along with your nominations.

If you have any questions please contact Kerrie Grover at (617) 373-2528 or k.grover@neu.edu.
