Longmeadow High School Student Receives MIAA Student-Athlete of the Month Award

LONGMEADOW – Mike Fisher, a senior at Longmeadow High School, has been selected by the Massachusetts Interscholastic Athletic Association (MIAA) as the "Student-Athlete of the Month" for April 2010.

Mike Fisher has been a varsity athlete in soccer, indoor track and baseball for all four years of his high school career. During this time, Mike has served as a team captain in all three sports, including two years each in soccer and baseball. He is the Longmeadow High School indoor track record holder in the 300 meters, and on the 4 x 200 and 4 x 400 meter relay teams. In addition, he has been honored with the LHS Most Dedicated Player Award in baseball, and as one of 35 US soccer players elected to the NSCAA High School Scholar All-America Team.

Academically, Mike has earned a 3.8 GPA with a very challenging class schedule, including Advanced Placement Chemistry. Other honors classes on Mike's school schedule include Physics, Algebra II, Geometry, Accounting, Spanish, World History, and Pre-Calculus. Mike's hard work in the classroom has earned him a spot on the Longmeadow High School National Honor Society.

Mike has also served in several leadership roles in the community. He has volunteered as a youth soccer coach for 4th and 5th grade boys in Longmeadow, and has been a volunteer instructor for the U10 Boys Western United Soccer Club. In addition, Mike has been a freshmen orientation leader at Longmeadow High School, a guest speaker at Williams and Glenbrook Middle School orientation, and has participated in the Senior Courtyard Upgrade Project.

The MIAA launched the "Student-Athlete of the Month" award program to honor students who set a positive example of leadership through academics and athletics in their communities. One male and one female student-athlete from MIAA member schools are selected as recipients of this award each month. Recipients are sent a congratulatory letter and certificate from the MIAA Student Services Staff. In addition, recipients are noted for their achievement on the MIAA web site and in the "Building the Future" MIAA Student Services Newsletter. A complete list of MIAA "Student-Athlete of the Month" award recipients and finalists can be found online at: <http://www.miaa.net/student-athlete-of-the-month.htm>.
