Hingham High School Student Receives MIAA Student-Athlete of the Month Award

HINGHAM – Dana Lindberg, a senior at Hingham High School, has been selected by the Massachusetts Interscholastic Athletic Association (MIAA) as the "Student-Athlete of the Month" for May 2010.

A member of the Hingham High School varsity indoor and outdoor track teams, Dana Lindberg has enjoyed an outstanding athletic and academic career. His leadership led to a selection as captain of both track teams. He has been named a Patriot League All-Star in both track seasons since his sophomore year. Dana has set the all time indoor and outdoor Long Jump records at Hingham High School. This past winter, he finished first in the 55 meter dash at the MIAA Division 3 meet, on his way to qualifying and competing in three events at the MIAA Indoor All-State Meet. Most recently, Dana won the 200 meters at the MIAA Outdoor Division 3 meet, set the Hingham High School record in the triple jump, and qualified for three events at the MIAA Outdoor All-State Meet.

Academically, Dana Lindberg is ranked third in the senior class at Hingham High School. He carries a heavy course load with five Advanced Placement courses during his senior year. He has participated on the Debate Team and in the National History Day competition. Dana's hard work led to a spot on the National Honor Society. He was named the top male student athlete at Hingham High School and also represented the school at the Patriot League Scholar Athlete Award Ceremony. Recently, Dana was interviewed by the Boston Globe and Boston Herald for his leadership role in the Hingham High School track program's commitment to preventing domestic violence and treating others with respect through the White Ribbon Campaign and Coaching Boys into Men program. Dana was accepted early admission to Yale University where he will run track next year.

Hingham High School Track Coach Fred Jewett says, "Dana's achievements, character, leadership and humility have already inspired his younger teammates to be outstanding student athletes. As a matter of fact, what he has accomplished as a student athlete and person has created such a positive legacy that people will speak proudly of his achievements for years to come. Whether you were a teammate, classmate, fan or opponent you will be glad to have known Dana because he brings out the best in everyone."

The MIAA launched the "Student-Athlete of the Month" award program to honor students who set a positive example of leadership through academics and athletics in their communities. One male and one female student-athlete from MIAA member schools are selected as recipients of this award each month. Recipients are sent a congratulatory letter and certificate from the MIAA Student Services Staff. In addition, recipients are noted for their achievement on the MIAA web site and in the "Building the Future" MIAA Student Services Newsletter. A complete list of MIAA "Student-Athlete of the Month" award recipients and finalists can be found online at: <http://www.miaa.net/student-athlete-of-the-month.htm>.
