

**MADD multimedia assembly shows
for middle & high schools!!**

2005-2006 CALL TO ACTION

We want to bring a MADD multimedia show to
your school as a **BONUS!**

Space is limited.

SECONDARY SCHOOLS:

Backstage Pass & The Spot are 35 minute
(approx.) assembly shows where students learn:

1. Students shouldn't buy into the hype that they have to drink alcohol or use other drugs to fit in.
2. Reduce distractions while driving by paying attention, restricting the number of friends in their car, limiting night driving, staying focused and buckling up.
3. Find friends who accept you for who you are and not for what you do.
4. There are long-term consequences of alcohol, tobacco and other drug use. They impact your body and your brain permanently.
5. Party sober, party safe!

MADD's multimedia assembly shows are viewed on 3 giant screens (final set-up size is 15' x 45').
