Motion by T. Holdgate to accept the Spring 2021 Golf Format. Second by T. O'Brien

APPROVED UNANIMOUS

For Fall 2021 season everything remains status quo with post-season. While other sports are moving to state-wide tournaments, golf will continue to be considered hybrid and no changes are anticipated.

The rotation for state tournaments in the fall will follow the rotation that was slated for the 2020 season. The rotation will just shift by a year for future tournaments so same rotation remains in place.

Motion by C. O'Donnell to accept the Fall 2021 Golf Format with noted changes. Second by T. O'Brien

APPROVED UNANIMOUS

Coaches' representative, B. Kelly, gave a brief reflection on the past fall season. He explained that the golf modifications were not difficult to follow and that the teams were grateful for the opportunity to participate.

Committee was encouraged to share information regarding the Youth on Course program, which allows youth to play some courses for \$5 or less.

There will be an MIAA Golf Town Hall meeting for the membership on March 23 at 11:00 AM.

The next scheduled meeting is June 15, 2021. The meeting will only be held if necessary.
