Respect and Civility

The mission is to foster respect and civility among member schools, athletic administrators, coaches and studentathletes by promoting awareness and acceptance. The focus is to celebrate all differences by creating associations that are welcoming and engaging for all.

The MIAA and MSAA extend sincere gratitude and appreciation to senior students who have committed to joining the Armed Forces of the United States of America after their graduation. In the 2024-25 year of this program, school leadership recognized 120 students. We commend their dedication and service!

Student Advisory Committee

STUDENT ADVISORY COMMITTEE (SAC)

is comprised of student leaders from MIAA member schools across the state. These students attend seasonal meetings and help facilitate student leadership workshops throughout the school year. They participate in various association activities and provide continual feedback from the perspective of students on how to improve the Educational Athletic offerings of the MIAA.
