

The High School Coaches' Module in Serve Tennis

ADVANTAGE YOU. COACHING MADE EASY!

The High School Coaches' Module in Serve Tennis simplifies coaching for your school tennis team. Use it to manage your teams, schedule matches, enter scores court-side, and view previous match results and current standings.

For Coaches

- Free and easy to use platform
- Access to USTA coaching resources and practice plans
- Manage tryouts, challenge matches and rosters
- Set lineups online
- Provides online lineup justification form
- Track individual and team development and improvement
- Scout opponents as a team and individually
- Attract higher level players
- Encourages out of season play
- Support growth of tennis

For Players

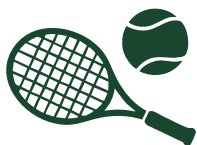

- Get free USTA junior membership
- Track individual development and improvement
- Makes it easy to find out of season or post graduation level based play opportunities
- Prepares players for higher levels of competition
- College coaches can evaluate prospective student-athletes

Get Started In Five Simple Steps

1. Accept the school invite from your state administrator
2. Customize school information and logo
3. Invite coaches/administrators
4. Add players to the roster
 - a. Add players by sharing the invite link via email, text, or a QR personalized code.
Coaches can also look up players in the USTA database by USTA Name/ID
5. Start playing
