WHAT MAKES MOSQUITO SHIELD THE INDUSTRY LEADER?

MORE SPRAYS

We actively monitor both mosquito populations and weather conditions and adjust your treatments as needed. On average, we spray every 10-17 days, a proven and effective approach that has us spraying 4-6 more times than the industry average.

BETTER RESULTS

You can't control mosquitoes on a set number of sprays or visits. Unlike our competition, we service you for the season, whatever it takes to provide superior results. You benefit from our 25 years of experience.

BEST PRICE

Our average price is half of our competitors cost and we back this up with a 7-day money back guarantee. We have many convenient ways to pay throughout the season, you can spread your payments out or pay in full and save.
