2023 Fall Golf Tournament

Policies and Procedures

A. ALL PARTICIPANTS MUST BE ACCOMPANIED BY THE HIGH SCHOOL GOLF COACH

Failure to observe this rule will result in the Team/Athlete being defaulted.

"In case of an emergency the principal may write and sign a letter written on school letterhead designating a member of the school staff (*not a parent*) as the official school designee. This letter must be presented by the designee to the MIAA Tournament Director upon arrival at the championship site. The designee must remain at the tournament site throughout the entire round."

B. STARTING TIMES

Starting times and pairings will be listed on the MIAA Tournament website as soon as the Tournament Director has established them.

C. COACHES RESPONSIBILITIES AND ASSIGNMENTS

At all qualifying rounds and at the State Finals, the MIAA Tournament Director will assign coaches, or official school designee present, to serve as monitors; i.e. whenever possible, a coach will go with each group, monitor play, observe behavior, etc. Coaches will not be monitoring their own players.

While the players keep the official scores for each other, monitors should keep an unofficial score for back-up, help locate balls and assist the Rules officials with situations requiring rulings. Cell phones may be used by monitors for safety precautions and contacting officials when necessary.

Any coach or official school designee who refuses to complete their assigned duty may result in the school Principal, Athletic Director and Coach being required to attend a hearing with the MIAA Golf Committee and the program being censured or put on probation (ineligible for tournament).

D. UNIFORM RULE

All players and coaches must be dressed in proper golf attire that conforms to the golf course dress code and clearly identifies the school they represent. School names on golf bags are also helpful especially during cooler weather. No denim or blue jean pants, cargo shorts or tank tops are permitted. *Those in violation will not be allowed to compete.*

E. ELECTRONIC DEVICES

During the play of the MIAA Sectional and State Championship, a player MAY obtain distance information by using a device that measures distance only. A player MAY NOT use any device to measure other conditions such as gradient, wind speed, temperature, etc. A player MAY NOT use a Cell Phone at any time for any purpose, other than an emergency situation and cell phones are not allowed to be used as a measuring device. **Any player found in breach of this rule will be removed from the competition.**

F. SPECTATORS

Spectators should have cell phones in silent/vibrate mode while on the golf course. If it is necessary to make or take phone calls spectators should do so out of the range of any golfers. Spectators are not allowed to give any advice to players. Coaches may carry a cell phone in a silent/vibrate mode. This is to allow coaches to contact help in an emergency situation. [Click here to view the MIAA Spectator Guidelines and Advice.](#)

G. MIAA DRONE POLICY: Prohibiting the Use of Drones (Unmanned Aircraft Systems or UAS's)

Unless granted special permission by the MIAA Executive Director, the use of drones (UAS), for any purpose, is not permitted at any MIAA tournament event. This prohibition applies to all fields of play, courts, arena, mats, gym floor or pool, and covers a ban on the entire facility being used as part of the MIAA event, including the spectator stands and parking areas.
