Round of 4 and State Finals

The Wilson WTF 1003B GST football will be the official ball. Two game balls will be provided by the Tournament Director to each team participating in the Round of 4 prior to competition. In addition, Wilson has agreed that the F1001 (Traditional Pro Pattern), F1004 (GST Collegiate Pattern) and F1005 (Traditional College Pattern) can be used for these tournament rounds. All game balls must be approved by the Head Official at midfield prior to the beginning of the game.

6. Tie Games in Tournament Games

(The MIAA Tiebreaker System below will be used in all tournament games.)

Immediately following the conclusion of the 4th quarter, the teams will go to their team area for two minutes.

The officials will escort the captains to the middle of the field to conduct an Extra Periods coin toss.

The winner of the overtime coin toss shall choose one of the following options:

1. Offense or Defense
2. Which end of the field shall be used for both possession series of that overtime period.

The loser of the coin toss shall exercise the remaining option.

In subsequent even numbered overtime periods, the loser of the coin toss will have the first choice of the two options.

In subsequent Odd numbered overtime periods, the winner of the coin toss will have the first choice of the two options.

Each series shall begin at the ten-yard line unless a penalty overrides. First down chains will not be used. It is always goal-to-go. If penalty enforcement calls for an automatic first down, it will be first and goal.

2025 Football Tournament

For the first and subsequent tie breaking periods, any team that scores a touchdown must attempt a two-point conversion by run or pass from scrimmage.

If there is a change of team possession during any play of an overtime period, live ball personal fouls or live ball unsportsmanlike conduct fouls by opponents of the team last gaining possession, that occur after the change of possession, gives the team in possession the option of putting the ball in play, where the penalty leaves the ball, for one down free of penalty or penalize as a dead ball foul at the succeeding spot in the subsequent overtime period. This option is exercised only if the team last gaining possession is free of foul during the down.

- Example: Second Series - Team B intercepts Team A's pass and, during Team B's run back, Team A commits a personal foul.
- Ruling: Team B has the option of extending the overtime period for one down free of penalty, with Team B putting the ball in play where the penalty leaves the ball, provided Team B has not fouled during the down. Or Team B may choose to penalize as a dead ball foul at the succeeding spot in the subsequent overtime period (see MIAA Handbook Rule 69.3).

7. Halftime

The home team will accept responsibility for the organization and administration of the halftime program. This program shall be conducted within the time limits established by the rules of the game.

State Semi-Finals and State Finals – Halftime information will be provided by the Tournament Director to participating schools in advance.

8. Medical Coverage

As per MIAA Handbook rule 69.2 “A licensed physician, licensed athletic trainer or certified EMT must be in attendance and on duty for all interscholastic football games. For all varsity football games, each team must employ a licensed physician, licensed athletic trainer or certified EMT to be with their team.” This applies to all games through the Round of 8

State Semi-Finals and State Finals – Should it be necessary, MIAA will provide Medical Coverage according to MIAA Handbook Rules. If a school has provided its own medical coverage, he/she shall be responsible for the members of that team (see MIAA Handbook Rules 56.3).

9. Film Exchange
