This annual evaluation of the UCS program is required by the Office of Special Education Programs at the U.S. Department of Education is carried out at multiple levels. They did heed the request to shorten this survey!

Each school has a unique link, and the link cannot be shared with anyone other than the listed liaison contact. If you need to collaborate on the survey with another person, please email yu.xia@umb.edu

The survey will come from this address (sounifiedchampionschools@qualtrics-survey.com). Please add the survey program's email address to your "safe sender list" or check your spam folder. **Thank you in advance!**

Survey #2 : Special Olympics MA Liaison Survey

This survey provides important information for our local SOMA Team about what your school accomplished this year in the 3 UCS Components: Unified Sports, Inclusive Youth Leadership and Whole School Engagement. This survey confirms your UCS status and helps our team identify how we can support you in the next school year.
