**Brody Whalen

"Brody is a senior goaltender who was to be my starter his senior year, coming off an all-star caliber junior year. Unfortunately, 2 games into the season he needed surgery to repair a torn labrum. His 2 games of the season he had 2 shutouts. He was at every game and practice post surgery helping and keeping players focused. Away from the rink, he was very active raising money for cancer research."

-Karl Infanger, Head Coach

**Logan Caron
Greenfield High School '26**

"The epitome of a TEAMMATE, as a back-up goalie and teammate on any team, he believes in the game of Hockey and the creation of a team/family that comes with it. When he was little, he refused to play unless he was able to play goalie. As stated earlier Logan is the epitome of TEAMMATE as a back up goalie for the Green Wave varsity for the past three seasons, along with the JV starter for his high school career. Show up to every practice working as hard as he can, always with a smile on his face. Truly believing that if he works his hardest, he is making the team better. Every varsity game he dresses as the back up or even #3 goalie but assists on the bench with strategy and always lifting his teammates up. For this and many, many, many more reasons, Green Wave Hockey is proud of Logan and the contributions he has made to the program, and making it better for being part of it. Thank you Logan. You are going to do amazing things in your future."

-Adam Bouchard, Head Coach

He consistently honored both the spirit and letter of all league and MIAA rules and regulations, serving as a role model for teammates and competitors alike. His respect for game officials was evident in every contest, as he accepted decisions with maturity, professionalism, and composure. Both on and off the ice, DJ’s conduct brought credit to himself, his team, his school, and the entire community. Following his junior year, which resulted in a Western Mass championship, Anthony was selected as captain for his senior year. This season looks a little different in the standings for Agawam High School, but Anthony has done an excellent job of keeping the players positive and continuing to lead the team both vocally and by example. Anthony works hard in practice, supports all of his teammates, and makes sure everyone is involved in on and off-ice activities throughout the season. Anthony is a great student, participated in Wreaths Across America and the team's annual toy drive, and treats players, officials, coaches, teachers, and families with the highest level of respect.”

This season, our student-athletes have embodied the highest standards of the MIAA, proving that respect—for officials, for opponents, and for the game itself—is just as vital as any goal scored. By prioritizing camaraderie and conducting themselves with honor both on and off the ice, this team has brought immense pride to our school and community. We are proud to uphold the spirit of sportsmanship that the Boston Bruins and the MIAA represent."

-Charlie Conefrey, Athletic Director

Jake McSweeney
Stoughton High School '26

"Jake averaged only 4 penalties over his 4-year career. This year, he only had 2 penalties. I never saw him retaliate or do anything unsportsmanlike. He has been a 2-year captain and provided excellent leadership and set a great example for his teammates. He has had an impressive career, scoring 50 goals and 27 assists, but his sportsmanship has been his most impressive accomplishment."

-Dan Mark, Head Coach

Gabe Santos
Newton South High School '28

"Despite being sidelined in the fall with a debilitating illness and having to miss the entire season, Gabriel Santos was a huge part of the 2025-2026 Lions. Fighting through treatments and symptoms, coming to every practice and game despite everything - he was a source of inspiration for the team every day. Just a sophomore, Gabe started the fall a leader of the program - leading by example at pre-season meetings and workouts. Though he couldn't join us on the ice this year, his presence in the locker room and passion on the bench resonated through the team. He fought a harder battle than anyone ever fights on the ice, but still showed up and actively participated in trainings, film sessions, and developing the team."

-Gabriel Feldstein, Head Coach

Grady Avila
Lowell High School '26

"Grady has overcome personal loss to be a valuable member and leader of our team. He personified our core values of working hard; being physically and mentally tough; not making excuses; and being a great teammate. Grady truly represents the City of Lowell, Lowell High School, and our hockey program in the greatest possible light."

-Brian Akashian, Head Coach

-Joe Ciccarello, Head Coach

Gilbert Prepetit
Algonquin Regional High School '26

"Gilbert is our team's compass, keeping us focused on our process, commitments, and ideals. He puts the game first, goes out of his way to acknowledge everyone who makes it possible to play, and is a relentless competitor. A captain, leading scorer, and emotional leader, Gilbert was not assessed a single penalty this season. His leadership, character, and commitment to fair play make him an ideal candidate for the Bruins - MIAA Sportsmanship Award."

-Tania Rich, Mid-Wach Hockey Chair

Thomas Fish
Danvers High School '26

"Thomas represents everything you hope for in a student-athlete. He has a great work ethic, is humble in his success, and is fully committed to his teammates. -Jonny Abban, Head Coach

Lucas Matias
Greater New Bedford RVTHS '26

"Lucas Matias didn't start skating until his junior year. He knew that the team needed a backup goaltender, so he stepped up and volunteered. During that year, he got about 30 minutes of game action. He stuck with it, knowing that he would have to be the full-time goalie his Senior year. Lucas participated in a Summer League to get some game experience. The rest is history, playing as the only goalie this season. He always gave his best effort, regardless of the score. Always a positive mindset. Fully supported his teammates. Always respected his teammates, his opponents, his coaches, and the officials. Never had anything negative to say. If he had not stepped up to play goal, we would not have had a team this season. He continued to work on his skills throughout the season, and the team was able to win 7 games."

-Michael Frey, Head Coach

East Bridgewater Jr/Sr High School '26

"Tyler has been an outstanding leader for the East/West Bridgewater Hockey program. He has been a Captain the past 2 seasons, and is a 5-year player. More importantly, he is a stellar person in the classroom and hallways at East Bridgewater High School, and is also a member of the National Honor Society."
