ALL PARTICIPANTS MUST BE ACCOMPANIED BY THE HIGH SCHOOL GOLF COACH

Failure to observe this rule will result in the Team/Athlete being defaulted. "In case of an emergency the principal may write and sign a letter written on school letterhead designating a member of the school staff (not a parent) as the official school designee. This letter must be presented by the designee to the State Director upon arrival at the championship site. The school designee must remain at the tournament site throughout the entire round."

COACHES ASSIGNMENTS

At the State Finals the Director will assign coaches, or the official school designee present, to serve as monitors, i.e. whenever possible, a coach will go with each group, monitor play, observe behavior, etc. The players will keep the official scores for each other. We will again be using Golf Genius for LIVE SCORING so coaches will be entering scores for their group. Coaches will not be monitoring their own players. Any coach or official school designee who refuses to complete his/her assigned duty will cause his/her players to be disqualified from the championship.

UNIFORM RULE

All players and coaches must be dressed in proper golf attire that conforms to the golf course dress code and clearly identifies the school they represent. No denim or blue jeans, cargo shorts or tank tops are permitted. Those in violation will not be allowed to compete.
