Growing Courageous Leaders™

In loving memory of Bill Good

In the fall of 2023, we lost a beloved member of the rugby community. Bill Good was a husband, father, coach, friend, and mentor who passionately advocated for youth rugby. His efforts introduced thousands of young people to the sport. As the founder and president of MYRO, he was instrumental in having rugby officially added to the MIAA in 2015. To this day, the MIAA is the only state association in the country that recognizes rugby as a high school varsity sport. Bill deeply understood the values rugby instills and was dedicated to sharing them with the community. He was a true ambassador for rugby and will continue to be greatly missed.

2026 Rugby Bill Good Sportsmanship Award

The MIAA is committed to encouraging and promoting the high ideals of sportsmanship, integrity and ethics, as well as developing a positive environment for athletic events at all levels of interscholastic competition.

The goal of interscholastic athletics is to give young people the opportunity to expand their educational horizons by experiencing fair and friendly competition

Congratulations to this years recipient
