Phylogenetic tree showing relationships between various taxa. The tree is rooted at the top left and branches downwards. Nodes are labeled with numbers in black boxes (e.g., 157, 245, 303, 158, 246, 159, 247, 304, 160, 248, 386, 387, 348, 385). Taxa names are written next to the branches, often with dates or times (e.g., N. Costa, F 3:09, A. DiCicco, DEC 8-5, J. Mahoney, F 0:51, J. Mahoney, DEC 7-3, C. Hanlon, T. Forest, DEC 7-1, A. Robin, MD 15-2, J. Lucas, DEC 8-5, N. Jackson, MD 17-5, T. Soria, DEC 7-3, A. Robin, DEC 8-5, R. Chapman, F 1:05, N. Jackson, MD 13-4). The tree is divided into several main clades, with some taxa grouped together in larger black boxes (e.g., 385, 386, 387).

2025 MIAA D2 State Tournament [MA]

The pedigree chart illustrates the inheritance of a trait across four generations (L49 to L308). The chart includes names of individuals, their relationships, and numerical values in boxes. Key individuals include T. Donnelly, S. Alsultani, J. Brucato, B. Allain, A. Butkus, and F. Mahoney. The chart shows a mix of affected and unaffected individuals, with some individuals having numerical values in boxes (e.g., 165, 249, 307, 166, 250, 167, 251, 308, 389, 390, 391, 350).

Generation L49: T. Donnelly (165) and S. Alsultani (249) are parents of L50.

Generation L50: L50 (307) is the parent of L51 and L52.

Generation L51: L51 (166) is the parent of L52 and L53.

Generation L52: L52 (250) is the parent of L53 and L54.

Generation L53: L53 (167) is the parent of L54 and L55.

Generation L54: L54 (251) is the parent of L55 and L56.

Generation L55: L55 (308) is the parent of L56 and L57.

Generation L56: L56 (350) is the parent of L57 and L58.

Generation L57: L57 (389) is the parent of L58 and L59.

Generation L58: L58 (390) is the parent of L59 and L60.

Generation L59: L59 (391) is the parent of L60 and L61.

Generation L60: L60 (350) is the parent of L61 and L62.

Generation L61: L61 (350) is the parent of L62 and L63.

Generation L62: L62 (350) is the parent of L63 and L64.

Generation L63: L63 (350) is the parent of L64 and L65.

Generation L64: L64 (350) is the parent of L65 and L66.

Generation L65: L65 (350) is the parent of L66 and L67.

Generation L66: L66 (350) is the parent of L67 and L68.

Generation L67: L67 (350) is the parent of L68 and L69.

The pedigree chart illustrates the inheritance of a trait across four generations. The chart is organized into four main sections, each representing a generation of individuals. The first section (L97-L104) shows the initial family structure, including W. Rossow, N. Gauger, J. Leavitt, F. Burr, L. Des Anjos, D. DellaGrotte, and G. Grosh. The second section (L361-L362) shows the offspring of the first generation, including N. Gauger, D. Mandella, and D. Mandella. The third section (L331-L332) shows the offspring of the second generation, including W. Rossow and F. Burr. The fourth section (L361-L362) shows the offspring of the third generation, including D. Mandella and D. Mandella. The chart includes names of individuals, their relationships, and specific dates or times. Key individuals are highlighted with red boxes and numbers: 213, 273, 331, 214, 274, 215, 275, 332, 216, 276, 413, 414, 415, 361, 362. The chart shows a mix of affected (red) and unaffected (white) individuals, with some individuals having specific dates or times associated with them.

Figure 1: Phylogenetic tree of the 375 taxa. The tree is rooted at the bottom left and branches upwards. Taxa are labeled with their accession number, name, and tissue type. The tree is divided into several major clades, including the 375 taxa clade, the 373 taxa clade, the 374 taxa clade, and the 376 taxa clade. The 375 taxa clade is the largest and most diverse, with many sub-clades. The 373 taxa clade is a smaller, more homogeneous group. The 374 taxa clade is a small group of three taxa. The 376 taxa clade is a small group of two taxa. The tree is rooted at the bottom left, with the 375 taxa clade as the outgroup. The 373 taxa clade is a sister group to the 375 taxa clade. The 374 taxa clade is a sister group to the 373 taxa clade. The 376 taxa clade is a sister group to the 374 taxa clade.
